Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies Living Hope for the End of Days John S. Barnett,2006-11 **Revelation from Now to Forever** John Barnett,2004 **What The Aliens Told Us About God, Jesus, Human Soul And The Afterlife** Maximillien De Lafayette,2016-07-30 What The Aliens Told Us About God Jesus Human Soul And The Afterlife From the secret aliens US meetings in 1947 and 1948 and the account of Maria Orsic Published by Times Square Press New York If you are among those who believe that our government s representatives met with aliens extraterrestrials then and logically you should entertain or consider the possibility that some of the subjects discussed during those meetings would be of a religious or at least moral or ethical nature especially since at least three powerful religious leaders in our country attended one or two meetings with aliens on an American soil In fact this is exactly what happened And we will be discussing the concerns and

the questions of those religious dignitaries the answers of the aliens and how a synopsis of the discussions between our religious leaders and aliens ended up on the desk of religious authorities thanks to their religious affiliation and or loyalty to their faith s hierarchy

"Aliens" in Revelation Gm Matheny,2019-10-31 The premise of this book is that aliens are evil spirits the fallen angels of the Devil God created animals man and angels but no little green men from Mars But both the angels of God elect angels and the angels of the Devil devils with their superior abilities if they had not been named angels and evil spirits in the Bible would be thought of as aliens And there are reasons why people living in the future tribulation will believe angels are aliens a deception that would work to the Devil s advantage Ancient writers from different countries wrote about beings visiting them from the skies who were superhuman Some were called gods watchers or angels I do however believe that angels in the Bible are exactly what the Bible says they are not that the word angel is a code word for alien or that the prophets of the Bible lacked the vocabulary to describe aliens Again I am saying that if God had not given us their name angel then people would naturally think they were ancient aliens This book is written with complete reliance on the Bible and the outline for my story will come from the book of Revelation
