Alien Scriptures Michael J. S. Carter, 2005 UFOs In The Bible Ken Goudswaard, 2021-11-17 Ancient truths hidden in plain sight for thousands of years In 1968 Erich Von Daniken cracked open a door that millions of the curious have peered through with wonderment and possibly some bewilderment Now standing on the shoulders of that giant the door is soundly kicked wide open by Ken Goudswaard in this astounding new examination of the scriptures utilizing unprecedented Hebrew exegesis to reveal no less than 30 extraterrestrial encounters within the pages of the best selling book of all time At a time of crossroads between disclosure and conspiracy never has the Bible been more relevant a fascinating and well thought out book on the many strange UFO descriptions found in the Bible Goudswaard

covers all the bases David Hatcher Childress author of the Bestseller Technology of the Gods The Incredible Sciences of the Ancients a thoughtful and provocative deep dive into potentially UFO and alien related references in the bible a few of which have been noted before but most of which will be new to readers Nick Pope UK Ministry of Defence Retired challenges us to embrace the very distinct possibility that our sacred scriptures are telling us that we have been visited by Star People in humanity's distant past and that these visitors intentionally or not have influenced the origins of monotheistic religion He goes where the evidence is leading him Perhaps we should have the courage to take the risk and follow Rev Michael J S Carter Author of Alien Scriptures Extraterrestrials In The Holy Bible an important work of easily accessible scholarship Jim Willis author of Censoring God The History of the Lost Books and other Excluded Scriptures and Hidden History Ancient Aliens And The Suppressed Origins Of Civilization

Extraterrestrial Legacies of God, Jesus, and the Angels

Raphael-Seraphin Kutota Basisa,2024-01-03 About the Book In some way or form this book is unassumingly a nicer and a more logical organization and interpretation of compounding existing religious writings from a variety of walks of life Herein they are presented as proof drawn synthetically from those multitude of intellectual sources written over the last 4 000 years evidencing that the central figure of the persona translated as the reincarnation of almighty God of Israel himself in Christian literature is simply another Extraterrestrial Alien visiting Planet Earth for a purpose Another visitor just like those well known Anunnaki the Elohim the Nephilim the Sons of God the Watchers the renegade Angels or other entities over several millennia ago And in the many ways how it is related to the current humanity's most pressing problem of whether we are alone and unique in the Cosmos as it is linked to the much witnessed UFO encounters phenomenon It also well outlined the latent consequences resulting from what is presented as postulate About the Author Raphael Seraphin Kutota Basisa currently resides in Lynn Massachusetts He would consider himself a futurist a researcher a world's concerned citizen and a great human being He is a chemical engineer by training and earned an MBA and an ABD in Applied Management and Public Policy He has written and published several technical and non technical documents commentaries articles papers and other books along the subjects of his expertise He believes in extraterrestrial life in regard to religion Basisa is a person whose research helped to recognize early on the theory that we are all descendants of Extraterrestrials and Cosmic religiosity should be recognized in modern theology

A New World If You Can Take It Rev. Michael J.S. Carter,2014 Author of *Alien Scriptures Extraterrestrials in the Holy Bible* and frequent guest of History Channel s *Ancient Aliens* series Reverend Michael Carter takes ancient astronaut theory to its next developmental step in his latest work *A New World If You Can Take It God Extraterrestrials and the Evolution of Human Consciousness* Drawing on the works of such giants as Erich von D niken and Zecharia Sitchin it is well established that many in the UFO community believe that our ancient ancestors mistook extraterrestrial visitors for all powerful deities Reverend Carter builds on this outlook by reexamining religious and spiritual philosophies and demonstrating how off world intelligences shaped early religious teachings The concepts presented in this book are not for the spiritually faint of heart or those with closed minds Reverend Carter courageously asks and answers the next rational question How can one reconcile spirituality and faith with a belief that ancient astronauts influenced the events depicted in humanity s greatest holy texts Expanding on this line of questioning Reverend Carter explores how expanding one s spiritual consciousness may actually lead to the next step in human evolution Are you searching for more out of life Do you have questions about what you have been taught by organized religion Do you feel that if the world s diverse population recognized their shared singular tradition of extraterrestrial involvement in human affairs would foster peace and prosperity for all of humanity Can the messages from present day Star Visitors to contactees hold the key to unlocking your spiritual potential Reverend Michael Carter encourages his readers to ask these questions research for answers and embrace what resonates with your heart Are you ready for a New World

We Are the Extraterrestrials in the Bible and Seeders of Humankind Rufus Jimerson,2017-12-18 The purpose of this book is to continue interpreting scriptures identified in the Holy Bible respecting contact with aliens in Reverend Michael Carter s *A New World If You Can Take It God Extraterrestrials and The Evolution of Human Consciousness* His book does find parallel scriptures in the Koran and other holy books used in establishing modern religions In this book biblical findings cited paraphrased and reinterpreted extend from Ancient Times into the Middle Ages when knights from Africa saved and preserved civilization as well as seeded the royals nobles and Christian Church papacy from its inception It tries to explain why this chapter of history was omitted or submerged from public awareness Then the book turns to issue of Karma and incarnation of the heretic pharaoh in modern times with his mother as his wife and one of the nation s most influential First

Ladies A xenophobic and religious backlash led by the reincarnation of Fallen Angels in Trump and His Four Horsemen that endanger the future of civility liberty and the planet But Star Children or Alien Hybrids continue to save and maintain hope against the Apocalyptic domain of the Demigod and His Fall Angels which threat our End Times or some sort of cosmic correction Meanwhile the human species is evolving from its violent and savage hominid animalistic tribal state to ascend to angels shepherding the Lord s creations

SECRET CONTACT: JOURNEY BEYOND THE DREAMS Joan Bridgeman,2014-04-15 In her 70s author Joan Bridgeman realized that the vivid dreams she was having were actually memories of encounters with other dimensional beings She is among hundreds of thousands of people who have been contacted by intelligences from beyond Earth This thought provoking account of her personal experiences with extraterrestrials will fascinate anyone curious about the presence of alien beings

We Are the Extraterrestrials in the Bible and Seeders of Humankind Rufus Jimerson,2017-12-11 The purpose of this book is to explore the origin of humanity from the stars through ancient civilizations and religious beliefs that acknowledge extraterrestrial contact and guidance for humankind It challenges the racial images and hegemonic beliefs imposed when slavery and colonialism were first being challenged as crimes against humanity during the last 200 or more years The whitewashing imposed by Western elites was imposed to conceal the truth about the seeders of mankind and founders of both civilization and modern religion The book specifically examines the origin of indigenous people of America and their contact with the Sky People or Star Visitors Earlier in this volume in the written cultures of Kemet and Palestine interpretations of biblical scriptures in terms of contact with Star Visitors are presented from Reverend Michael Carter s Alien Scriptures Recent DNA research is also presented acknowledging that a significant amount of non coded genes in modern humans are extraterrestrial proving that our species was seeded by aliens who breed female hominids or homo erectus Most if not all of the latter species did not survive the Stone Ages unless they were hybrids of Star Visitors including the Neanderthals whose genes make up 4 percent of our DNA Many earlier hominid species not properly seeded by aliens where considered corrupt or mutated beyond repair by the Watchers and were destroyed in the global deluge and other natural disasters they engineered The Bible the best documented and understood books of the history and religion of the ancients and chosen people is cited and provides details on visits from the cosmos and what was done to foster responsible development or evolution of humankind Rules and consequences are inferred for those that undermine the Creator s work This book and the truth it uncovers is designed to raise readers awareness that conventional authorities have for their own selfish and narcissistic desire for absolute power and wealth have censored our history and belief system to reinforce their own image vanity and desire to be worshipped like gods
