Aliens Are Coming Dragonfly Books:

Aliens are Coming! Meghan McCarthy, 2009-08-11 A picture book account of one of the most famous pieces of radio history Sandwiched between a look at Depression era radios and a set of fanciful period advertisements McCarthy delivers a semi serious account of the 1938 War of the Worlds broadcast illustrating both passages from the script and briefly told descriptions of widespread panic with smudgy cartoon scenes featuring bug eyed monsters and equally bug eyed people The author closes with a substantial note that analyzes the broadcast immediate and long term effects points out that the announcers repeatedly admitted that they were presenting a drama during the broadcast mentions several later revivals here and internationally and notes the response of H G Wells himself to the original production She has also set up an invitingly designed Web site with an array of relevant links Kirkus Reviews Starred An ALA ALSC Notable Children s Book A School Library Journal Best Book of the Year An IRA CBC Children s Choice A Kirkus Reviews Editor s Choice A 2006 New York Public Library 100 Titles for Reading and Sharing Teaching Science in Elementary Schools S. marked by tremendous changes in U S immigration policies amplified discourses around nationhood and an increasingly militarized border The author shows how children s and young adult books have shifted their depictions of the border personal and national identity and sovereignty For students scholars and educators of Latinx studies and children s literature this work shows how the creators of children s literature reflect new strategies for representing the undocumented Latinx child protagonist While earlier books document the child as a transnational sometimes global subject later books document her as both a transnational and U S national subject The Documented Child explores this change as a necessary survival strategy reflecting current awareness that cultural hybridity and transnational identity are not sufficient stand ins for the stability and security of legal personhood
