Bierema, Monica Fedeli, Sharan B. Merriam, 2025-07-28 A freshly updated and science based guide for contemporary adult educators In the newly revised second edition of Adult Learning Linking Theory and Practice a team of veteran adult educators delivers an authoritative guide to adult education that is solidly grounded in theory and research while remaining concise and practice oriented Each chapter is infused with practical applications for instruction you can implement immediately to improve concrete learning outcomes The authors cover a variety of topics including adult learning in the contemporary world traditional learning theories andragogy motivation and learning and more Readers will also find Explorations of the brain and cognitive functioning as it applies to adult learners How to adapt and improve the adult learning experience in the digital age Learning and reflection activities integrated throughout each chapter Perfect for master s level students and practitioners alike Adult Learning Linking Theory and Practice is the up to date and practical adult education resource that you ve been waiting for

Integrating Adult Learning and Technologies for Effective Education: Strategic Approaches Wang, Viktor, 2010-01-31 Integrating Adult Learning and Technologies for Effective Education Strategic Approaches provides instructional approaches relevant theoretical frameworks and the latest empirical research findings in the area of adult learning and technology Developing and Sustaining Adult Learners Carrie J. Boden, Kathleen P. King, 2013-10-01 Developing and Sustaining Adult Learners is the second volume in a series of scholarly publications associated with the annual Adult Higher Education Alliance AHEA The Alliance conference The title of this volume derived from the theme of the 2012 conference co sponsored by American Association of Adult and Continuing Education AAACE in Las Vegas NV encompasses significant issues and questions at the forefront of the field of adult education At the conference scholars

practitioners and adult educators gave presentations and received feedback on some of the most significant and timely issues in their praxis The Alliance which values collaboration transformative dialogue and collegiality among professionals considers this volume a continuation of those conversations as the presentations were expanded into chapters We are glad that you are joining the conversation This volume confirms not only that adult learning higher education and both fields of research have many contexts but also that there is so much more to learn about different perspectives and opportunities for research and practice Opportunities for symbiotic relationship abound We hope that Developing and Sustaining Adult Learners will be a book that you pull off your bookshelf or open in your e reader often We know that as we engage in program and course planning design and teaching this book will provide needed refreshment and new vision When research ideas seem too similar this volume will also provide many seeds for new opportunities

The Handbook of Adult and Continuing Education Tonette S. Rocco, M Cecil Smith, Robert C. Mizzi, Lisa R. Merriweather, Joshua D. Hawley, 2023-07-03
Co published with Colleges and universities are increasingly becoming significant sites for adult education scholarship in large part due to demographic shifts With fewer U S high school graduates on the horizon higher education institutions will need to attract non traditional i e older adult learners to remain viable both financially and politically There is a need to develop a better corpus of scholarship on topics as diverse as what learning theories are useful for understanding adult learning How are higher education institutions changing in response to the surge of adult students What academic programs are providing better learning and employment outcomes for adults in college Adult education scholars can offer much to the policy debates taking place in higher education A main premise of this handbook is that adult and continuing education should not simply respond to rapidly changing social economic technological and political environments across the globe but should lead the way in preparing adults to become informed globally connected critical citizens who are knowledgeable skilled and open and adaptive to change and uncertainty The Handbook of Adult and Continuing Education provides rich information on the contemporary issues and trends that are of concern to adult and continuing education of the programs and resources available to adult learners and of opportunities to challenge and critique the structures embedded in the field that perpetuate inequity and social injustice Adult education is a discipline that foresees a better tomorrow and The Handbook is designed to engage and inspire readers to assist the field to seek new paths in uncertain and complex times ask questions and to help the field flourish The Handbook is divided into five sections The first Foundations situates the field by describing the developments core debates perspectives and key principles that form the basis of the field The second Understanding Adult Learning includes chapters on adult learning adult development motivation access participation and support of adult learners and mentoring Teaching Practices and Administrative Leadership the third section offers chapters on organization and administration program planning assessment and evaluation teaching perspectives andragogy and pedagogy public pedagogy and digital technologies for teaching and learning The fourth section is Formal and Informal

Learning Contexts Chapters cover adult basic GED and literacy education English as a Second Language Programs family literacy prison education workforce development military education international development education health professions education continuing professional education higher education human resource development and workplace learning union and labor education religious and spiritual education cultural institutions environmental education social and political movements and peace and conflict education The concluding Contemporary Issues section discusses decolonizing adult and continuing education adult education and welfare teaching social activism lesbian gay bisexual trans queer and straight allies gender and its multiple forms disability older adults and intergenerational identities race and ethnicity working class whiteness and privilege and migrants and migrant education The editors culminate with consideration of next steps for adult and continuing education and priorities for the future

Definitive Readings in the History, Philosophy, Theories and Practice of Career and Technical Education Wang, Viktor, 2010-07-31 Definitive Readings in the History Philosophy Theories and Practice of Career and Technical Education brings together definitive writings on CTE by leading figures and by contemporary thinkers in the history philosophy practice and theories of the field Filling a much needed void in existing literature this book equips scholars and practitioners with knowledge skills and attitudes to succeed in the field of CTE

Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom

Leadership for Learning Carl Glickman, Rebecca West Burns, 2020-08-03 In this revised edition Carl Glickman and coauthor Rebecca West Burns synthesize their decades of experience in teacher education and supervision into a comprehensive guide to supporting teacher growth and student learning Embedded in every page are the essential knowledge skills approaches and methods that leaders need to drive instructional improvement Official school leaders and classroom teachers striving to be the best will learn how to put the school's goals and priorities into practice by Selecting the right structure for differentiating teacher professional learning to improve outcomes for students Implementing the technical and procedural skills needed to support teacher learning while observing assessing and evaluating instruction Identifying appropriate relational skills for communicating and working with teachers Applying the best interpersonal approach to stretch each teacher based on their own developmental level Making the most of teachable moments with immediate

response skills and Understanding how to support teachers social emotional wellness as an essential component of improving practice In addition each chapter provides detailed scenarios and case studies that illustrate exceptional leadership and the Appendixes offer connections to dozens of promising practices We are in a new era of teaching and learning and a new kind of leader is needed to guide successful and extraordinary schools Leadership for Learning How to Bring Out the Best in Every Teacher gives preK 12 leaders the powerful tools they need to ensure that competent caring qualified professionals who want to improve teaching and learning are in every classroom

Transforming Theological Education, 2nd Edition Perry Shaw, 2022-01-31 For several decades concern has been expressed about the need for greater integration and contextual significance in the curricular design of theological education In addition there has been a growing awareness of the role theological schools should play in strengthening the missional vision and practice of local churches Drawing on Dr Perry Shaw s experience as faculty member educational engineer and acting academic dean for Arab Baptist Theological Seminary Transforming Theological Education provides theoretical foundations and practical principles for purposeful curriculum design as well as tools for facilitating integrated and contextually significant learning in the classroom This updated second edition has been reorganized for thematic clarity and expanded to provide a stronger foundation for thinking theologically rather than just educationally about theological education It also contains a wider range of curricular examples from innovative theological programs around the world along with practical advice for implementing change in change resistant environments This handbook continues to be a one of a kind resource for theological educators and all those involved in Christian leadership training
