

Guidelines for the completion and submission of the Undergraduate Legacy Application are specified below. Although an undergraduate chapter does not vote upon an applicant for membership under the legacy provision, all requirements for membership must be met.

1. A family member soror may obtain an Undergraduate Legacy Application from the Basileus of the chapter of where she is a member or from the Graduate Advisor of the undergraduate chapter in where her daughter, adopted daughter, step-daughter, granddaughter, or legal ward¹ desires membership.
(For Alpha Kappa Alpha Sorority, Incorporated, a legal ward is defined as one whose permanent care, control and custody legally have been placed with a soror by an appropriate court of law. Candidate must provide court documentation that reflects she is a legal ward.)

Article IV, Section 14 Constitution and Bylaws states, "The living family-member soror must have been active for at least two (2) years immediately preceding the membership application for the undergraduate legacy candidate." Two years equal twenty-four (24) consecutive months.

2. The top portion of the Undergraduate Legacy Application should be completed by the applicant. The remaining portion of the Undergraduate Legacy Application should be completed by the family member soror.
3. Upon completion of the Undergraduate Legacy Application, the family member soror should sign it. If she is a member of a chapter she must obtain the signature of her chapter Basileus. *Falsification of any information on the Undergraduate Legacy Application provided by the family member soror makes her subject to a penalty, which may include expulsion. Further, if it is determined by the Corporate Office that any information provided on the Undergraduate Legacy Application is false, the applicant will not be approved for membership.*

Per Article IV, Section 39 of the Constitution and Bylaws. "Any soror determined to have been ineligible for membership following her initiation in Alpha Kappa Alpha Sorority, Incorporated, because of the revelation or submission of fraudulent information or documents, shall on the recommendation of the Regional Director, and by majority vote of the Directorate, have her membership revoked until the next Boule at which time a vote on expulsion will be taken."

4. The family member soror should give the completed and signed Undergraduate Legacy Application to her daughter, adopted daughter, step-daughter, granddaughter, or legal ward prior to the Rush program.
5. The applicant shall take her official transcript, the completed Undergraduate Legacy Application, Undergraduate Membership Interest Application, two letters of reference, at least one Evidence of Community/Campus Involvement Form, an official letter from the college/university registrar for verification of full-time status, and the Letter of Interest to the Formal Rush.
6. The credentials of the legacy applicant are included with the packet of membership credentials of other prospective candidates.
7. It shall be the responsibility of the Corporate Office staff to verify the information on the Undergraduate Legacy Application. If any information on the application cannot be verified, the Corporate Office staff may request that the family-member soror provide additional documentation within a specified time.

Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek

Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead
