Of Baseball Stuff The Of Stuff:

The Good Stuff Joe Posnanski,2001-06 Lou Petrucci,2006-02-01 Nicky Palmieri self conscious and resentful over the scars left from cleft palate surgery learns lessons about life death friendship and family over the course of one baseball filled summer

Murder Out of the Ballpark Jane Barcroft,2006-04 Paige Smith is back the detective hero for people who aren't cut out to be detective heroes For the editor of the Arlington weekly Spectator one front row seat for a hair raising scoop had been enough for a lifetime thank you All he wanted now was safe dull predictability and maybe the hope of a Saturday night date Alas dull wasn't in the cards Arlington County was simmering over a ballpark plan that was welcomed by no one or everyone depending on whom you asked The upcoming election was ugly with racism and hints of corruption Now the county's first marathon was jeopardized when its most prominent runner crossed his own personal finish line And as for women Smitty would soon be far out of his league with the hyperactive athlete who taught him how to sprint the single mom with short skirts and a long barreled pistol the no nonsense cop who knew too much for comfort and the jailbird blonde who still tugged at his heart Which one was going to save him or sink him

The Cardinals Way Howard Megdal,2016-02-23 The Cardinals Way presents an inside look at the St Louis Cardinals a team that has emerged as the model organization in the MLB through developing young talent and embracing analytics The St Louis Cardinals have experienced the kind of success that is rare in baseball Regarded by many as the premier organization in Major League Baseball they not only win but do so with an apparently bottomless pool of talent one that is mostly homegrown Despite years of phenomenal achievements including going to the World Series in 2004 and again in 2006 the Cardinals reinvented themselves using the Cardinal Way a term that has come to represent many things to fans media and other organizations from an ironclad code of conduct to the team's cutting edge use of statistic and analytics and a farm system that has transformed baseball Baseball journalist Howard Megdal takes fans behind the scenes and off the field interviewing dozens of key players within the Cardinals organization including owner Bill DeWitt and the former general manager John Mozeliak Megdal reveals how the players are assessed and groomed using an unrivaled player development system that has created a franchise that is the envy of the baseball world In the spirit of Moneyball The Cardinals Way tells an in depth fascinating story about a consistently good franchise the business of sports in the twenty first century and a team that has learned how to level the playing field turning in season after successful season

Spring Training Dan Shaughnessy,Stan Grossfeld,2003 Before the purpose pitch that zips inches from the batter's head before greenfly autograph seekers stalk hotel lobbies before thousands of fans stand up and boo in 50 000 seat stadiums before the proverbial dog days of summer and the pressure packed moments of October there is sweet spring The long hello Baseball's early season The words spring training have long held special power over baseball fans They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores The chance to see the game up close and personal in beautiful slow motion No other sport undergoes this slow glorious unfolding

And no other book captures baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing "Take Me Out to the Ball Game," million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers, a lively tribute to America's favorite pastime in its purest, most wonderful form.

The Baseball Fan's Bucket List Robert Santelli, Jenna Santelli, 2010-03-09 No sports fans are more in touch with the history and ephemera of their game than baseball fans. Hitting the sweet spot of our national pastime, *The Baseball Fans Bucket List* presents a list of 162 absolute must-things to do, see, get, and experience before you kick the bucket. Entries range from visiting Elysian Fields in Hoboken, NJ, site of the first pro baseball game, to starting a baseball card collection, experiencing Opening Day, attending your favorite team's Fantasy Camp, reading classic books like *Ball Four*, and much more. Each entry includes interesting facts, entertaining trivia, and practical information about the activity, item, or travel destination. Also included is a complete checklist so the reader can keep a running tally of their Bucket List achievements. With today's tabloid stories of steroid abuse and off-the-field shenanigans encroaching on baseball's idyllic charm, this unique guidebook encourages readers to celebrate all that's good about being a fan.

Something's Very Wrong Tom Gomes, 2008-11-27 This humorous collection of 25 short stories provides a satirical view into the world of children's sports and the overzealous parent living their lives vicariously through the eyes of their children.

Blog Love Omega Glee Wred Fright, 2012-07-19 Two bloggers fall in love while the world falls apart in *Blog Love Omega Glee*, a comedic story set in 2012 with each chapter taking place on a different day counting down to the end of the Mayan calendar on 21 December 2012, when the world either ends or continues on much the same as before. The two central characters are Jake Falls, a twenty-five-year-old unemployed man living with his parents who spends most of his time blogging about pro wrestling, and Francine Apple, a twenty-nine-year-old barely employed woman who has dropped out of the American Dream to blog about various conspiracy theories. Other characters abound as well, including Jake's cats, family, and friends, and Francine's coworkers, housemates, and neighbors. The story is set in Cleaveland, a decaying industrial city in the northern part of the USA and its suburbs on the shores of Lake Erie. It's year 12 of a fascist regime, and a severed head named Dick, with a soft drink vending machine for a body, is president dictator, but no one much notices because they're too busy watching television and obsessing over their personal lives to worry about wars overseas, the government swindling taxpayers, and the rich stuffing their already stuffed pockets further with rapidly depreciating currency. Some people find this worrisome, but most people just change the channel. Regardless, even though in many ways for the average person life is still better than ever before in the history of human existence, since Eden, most people feel a vague sense of unease as if the delicate stitching of society is about to come undone at any moment, pouring forth a centuries-long buildup of too many

human beings anarchy in the streets environmental collapse and lots and lots of really bad coffee Between existential dread economic worries presidential electioneering electronic domineering and large sweaty men in tights touching one another as entertainment there s Blog Love Omega Glee Blog Love Omega Glee was originally published on Wred Fright s Blog as a blognovel or a blovel Unlike most blognovels and blovels this one actually was finished instead of being abandoned Since the story has four parts depending on how you look at it it s either one really long novel or a series of four novels After being serialized on the blog and as a zine to a few select zinesters Fright trades with the novel was collected as an ebook One fun way to read it is a chapter a day during the course of a year especially a leap year like 2012 was or go for reading all 230 000 words or so in one lump The novel s been noted in American Pop Lit who called Fright an innovative writer of fun new pop lit a pioneer in the fight to revive American literature Attacking The Demi Puppets Cleveland Scene Cool Cleveland who wrote and perhaps best of all it s set in 2012 in a city called Cleaveland not to be confused wink wink with our city with the slightly different spelling hmm I wonder if there s a Cool Cleaveland email newsletter in the novel The Rumpus by author Mickey Hess who blurbed Goons and patriots get ready Wred Fright s new novel scowls at your perfect sentences There are gorgeous techniques and colorful dialogue the book s action mood the author himself There are things this novelist should be allowed to do that the rest of us are not Try This At Home by novelist Eddie Willson who wrote After experimenting with multiple narrators in his novel The Pornographic Flabbergasted Emus Wred Fright continues to develop his fiction in inventive ways Here he s posting a new novel in blog form Set in the near future the regularly updated narrative charts the lives of wrestling fixated loser Jake and militant waitress Francine I ve got some catching up to do but this is addictive stuff Here and elsewhere Wred s big strength is in characterization he s got a real gift for getting you rooting for characters whose lives have got a bit bent out of shape This tale s going to be taking up my lunch breaks for the foreseeable future Highly recommended The Whirliblog who wrote that It s tastier than Cap n Crunk Xerography Debt and Zine World 3 x
