And Hebrews Wisdom Commentary Mary Beavis:

Wisdom Commentary: Romans Christian A. Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave

Hebrews Debra J. Bucher, Estella Boggs Horning, 2024-04-23 What constitutes a faithful life At its most basic level the New Testament book of Hebrews considers this essential question and pleads with its audience to find in faithful living the rest that Christ offers Hebrews begins with a poetic reflection on the one who lived the most faithful of lives Jesus and concludes with exhortations to go and do likewise In the 37th volume in the Believers Church Bible Commentary series scholars Debra J Bucher and Estella Boggs Horning examine at great length one important aspect of Hebrews Jesus as the new covenant and the once for all better sacrifice who replaces the daily and yearly temple offerings in Jerusalem The authors also consider how this idea has been used to minimize other religious traditions and even to legitimize the horrors of the mid 20th century They carefully unpack the language around sacrifice and covenant based on the saving work of Jesus drawing out encouragement found in Hebrews to live as individuals and as a community led by Jesus the pioneer and high priest Bucher and Horning don't shy away from the difficult language in Hebrews Instead they draw out its historical context and help readers understand how to use the text with love within our own About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword

Wisdom Commentary: John 1-10 Mary L Coloe, PBVM, 2021-07-15 Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John's Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus's words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows

Wisdom Commentary: Tobit Michele Murray, 2023-08-15 Blindness by bird

excrement seven husbands murdered by a love sick demon a father with the corpses of his sons in law interred in the backyard and a magical fish These farcical elements make the book of Tobit a striking work of humorous fiction in a long Jewish tradition of storytelling But it is more than just an entertaining read We might well laugh but we cannot laugh too hard for we also sympathize with the characters sincere struggles to understand God s plan for their lives This commentary considers the book of Tobit through a specifically feminist lens discoursing on topics fundamental to the human experience in the story such as grief death family relationships belonging to a minority community disability issues and contending with why bad things happen to good people *The State of New Testament Studies* Scot McKnight,Nijay K. Gupta,2019-11-05 This book surveys the current landscape of New Testament studies offering readers a concise guide to contemporary discussions Bringing together a diverse group of experts it covers research on the most important issues in New Testament studies including new discipline areas making it an ideal supplemental textbook for a variety of courses on the New Testament Michael Bird David Capes Greg Carey Lynn Cohick Dennis Edwards Michael Gorman and Abson Joseph are among the contributors **Hebrews** Mary Ann Beavis,HyeRan Kim-Cragg,2015-11-10 Hebrews seems like unpromising material for feminist interpretation although it is the only New Testament writing for which female authorship has been seriously posited Mary Ann Beavis and HyeRan Kim Cragg highlight the similarities between Hebrews and the book of Wisdom Sophia which share cosmological ethical historical and sapiential themes revealing that Hebrews is in fact a submerged tradition of Sophia Wisdom They also tackle the sacrificial Christology of Hebrews concluding that in its ancient context far from symbolizing suffering and abjection sacrifice was understood as celebratory and relational Contributions from Filipina Maricel and Marilou Ibita Jewish Justin Jaron Lewis historical Nancy Calvert Koyzis and First Nations Marie Annharte Baker perspectives bring additional scholarly cultural religious and experiential wisdom to the commentary From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God s vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text *John 1?10*

Mary L. Coloe, 2021-07-29 2022 Catholic Media Association honorable mention in scripture academic studies Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John s Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus s words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows

Atonement Max Botner, Justin Harrison Duff, Simon Dürr, 2020-09-10 A historical survey of atonement theology through ancient Jewish and Christian sources What is the historical basis for today s atonement theology Where did it come from and how has it evolved throughout time In Atonement a sterling collection of renowned biblical scholars investigates the early manifestations of this core concept in ancient Jewish and Christian sources Rather than imposing a particular view of atonement upon these texts these specialists let the texts speak for themselves so that the reader can truly understand atonement as it was variously conceived in the Hebrew Bible the Dead Sea Scrolls the Pseudepigrapha the New Testament and early Christian literature The resulting diverse ideas mirror the manifold perspectives on atonement today Contributors to this volume Christian A Eberhart Crispin Fletcher Louis Martha Himmelfarb T J Lang Carol A Newsom Deborah W Rooke Catrin H Williams David P Wright and N T Wright attend to the linguistic elements at work in these ancient writings without limiting their scope to explicit mentions of atonement Instead they explore atonement as a broader phenomenon that negotiates a constellation of features sin sacrifice and salvation to capture a more accurate and holistic picture Atonement will serve as an indispensable resource for all future dialogue on these topics within Jewish and Christian circles

Hebrews Mary Ann Beavis, HyeRan Kim-Cragg, 2015 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God s vision of dignity equality and justice for all Book jacket

Early Church Understandings of Jesus as the Female Divine Sally Douglas, 2016-05-19 Central to debates about Jesus is the issue of whether he uniquely embodies the divine While this discussion continues unabated both those who affirm and those who dismiss Jesus divinity regularly eclipse the reality that in many of the earliest strands of the Christian tradition when Jesus divinity is proclaimed Jesus is imaged as the female divine Sally Douglas investigates these early texts excavates the motivations for imaging Jesus as Woman Wisdom and the complex reasons that this began to be suppressed in the 2nd

and 3rd centuries The work concludes with an exploration of the powerful implications of engaging with the ancient proclamation of Jesus Woman Wisdom in contemporary context
