Of Revelation Summary:

An analysis and summary of New Testament history James Talboys Wheeler, 1859 **Summary of Ron Rhodes's Bible Prophecy Answer Book** Everest Media, 2022-08-23T22:59:00Z Please note This is a companion version not the original book

Sample Book Insights 1 Prophecy is God's revelation regarding history in advance Only God who is omniscient knows the future Because of this He is the only one who can reveal it to us 2 The term end times is a general term that embraces a broad spectrum of events that will take place in the last days It includes the rapture the judgment seat of Christ for Christians the seven year tribulation period the second coming of Christ Christ's millennial kingdom the great white throne judgment for the wicked and a destiny in hell for the wicked 3 The New Testament uses the term last days to refer to the present church age which is when we are living It is critical to recognize however the distinction between how last days is used in the New Testament in reference to the church age and how it is used in Old Testament prophecies in reference to Israel 4 God does not give us prophecy to teach us mere facts about the end times It is highly revealing that many prophetic passages in the Bible are followed by an exhortation to personal purity

The New Jerusalem in the Book of Revelation Pilchan Lee,2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John s main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22 **An Outline of the End Times** PT

Nicholson,2016-12-15 An Outline of the End Times is written by a layperson for laypeople In an attempt to be comprehensive yet concise and thorough PT Nicholson explores prophetic scripture in relation to the end times He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties Combined with exhaustive scripture references he uses charts tables maps sketches and graphs to explain issues and analyse topics as succinctly as possible About 25 percent of the Bible is prophecy and according to a well known and respected scholar on Bible prophecy John Walvoord five hundred of one thousand prophetic events remain unfulfilled Yet many Christians have only a vague notion of how end time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject An Outline of the End Times serves as a reference resource to help meet this need **The Book of Revelation** O.
