Jahrbuch der Auktionspreise für Bücher, Handschriften und Autographen ,1993 *Classical Numismatic Group XXII* ,

The Commercial Lives of Irish Women, 1850-1922 Antonia Hart,2025-10-14 This book examines Irish women s lives in the nineteenth and early twentieth centuries from a new angle investigating how they inherited bought or started up businesses Some guided their operations to impressive profit and growth while others coped with devastating failure The many and varied primary sources which inform Antonia Hart s research place all these businesswomen in public facing roles in commercial environments making economic decisions and operating with autonomy which they sought out and claimed These were not unusual women They were present in the main streets of towns and cities their businesses both visible and unsurprising to passers by Women s businesses mattered They enabled employees both women and men to earn their livings They paid fees for professional services to accounting and legal firms They contributed to the local and national economies They provided training and sometimes accommodation for apprentices Women s businesses mattered in the credit economy not only in their extension of credit for goods and services but also in the form of collateralised loans from the pawnbroker s counter while the Dublin pawnbrokers also contributed an annual sum to the city policing budget In the context of well ventilated ideas about what a woman should be many girls grew up seeing their teachers mothers sisters and neighbours bring pragmatism and creativity into commercial lives This book shows how private realities diverged from public ideals and describes for the first time a robust and intriguing national heritage of Irish female entrepreneurship **Theo Van**

Doesburg Theo van Doesburg,Marleen Blokhuis,2000 **Treasury Bulletin** ,1985 *The Legendary Estates of Beverly Hills* Jeffrey Hyland,2025-09-02 A re edition of the authoritative Los Angeles estates book featuring the homes gardens and lifestyles of many of the city s original great architects and residents This deluxe volume offers a meticulously researched and lavishly illustrated history of fifty magnificent estates in three of America s most prized residential districts Beverly Hills Bel Air and Holmby Hills Lush color photographs as well as a trove of historical images take readers beyond the front gates for an exceptional view of the mansions grounds and gardens of these sumptuous estates and tell the history of Los Angeles s rise from rugged paddocks and farmland to famed metropolis Each house is explored both for its historical and architectural importance for here are the epitome of residences and gardens reflecting the famed Italianate and California Mediterranean styles by all the leading architects of Southern California including Wallace Neff James Dolena Gordon Kaufmann Robert Farquhar Roland Coate and Paul Williams They built for clients such as Gary Cooper Buster Keaton Harold Lloyd and Bing Crosby whose own stories reflect the intrigue and foibles of Hollywood society The book s final chapter Gone but Not Forgotten pays homage to great estates that have been destroyed or lost to history **Ceramics of Iran** Oliver Watson,2020-11-24 A beautifully illustrated showcase of the rich and varied ceramic tradition of Iran Featuring a broad selection of objects from one of the most distinguished collections of Iranian art this volume brings together over 1 000 years

of Persian Islamic pottery With more than 500 illustrations authoritative technical treatises and insightful commentary Ceramics of Iran assembles a collection of rarely seen treasures from the Persian world and presents a collective history of its renowned ceramic tradition Included among its comprehensive catalogue entries are numerous translations of the objects' inscriptions providing readers with a richer and more detailed understanding of the cultural heritage from which these items are derived In addition the book contains new research and material from previously unknown sites Featuring all new photography of nearly 250 objects Ceramics of Iran brings the extraordinary contributions of Persian art into a wider historical context along with a wealth of images to demonstrate the full scope of its intricate beauty Remaking the Readymade Adina Kamien-Kazhdan, 2018-05-11 Replication and originality are central concepts in the artistic oeuvres of Marcel Duchamp and Man Ray Remaking the Readymade reveals the underlying and previously unexplored processes and rationales for the collaboration between Duchamp Man Ray and Arturo Schwarz on the replication of readymades and objects The 1964 editioned replicas of the readymades sent shock waves through the art world Even though the replicas undermined ideas of authorship and problematized the notion of identity and the artist they paradoxically shared in the aura of the originals becoming stand ins for the readymades Scholar poet dealer Arturo Schwarz played a crucial role opening the door to joint or alternate authorship an outstanding relationship between artist and dealer By unearthing previously unpublished correspondence and documentary materials and combining this material with newly conducted exclusive interviews with key participants Remaking the Readymade details heretofore unrevealed aspects of the technical processes involved in the recreation of iconic long lost Dada objects Launched on the heels of the centenary of Duchamp's Fountain this new analysis intensifies and complicates our understanding of Duchamp and Man Ray initial conceptions and raises questions about replication and authorship that will stimulate significant debate about the legacy of the artists the continuing significance of their works and the meaning of terms such as creativity originality and value in the formation of art Pacific Rural Press, 1879 Making The Met, 1870–2020 (1st revised edition) Andrea Bayer, Laura D. Corey, 2025-10-01 Published to celebrate The Metropolitan Museum of Art's 150th anniversary Making The Met 1870 2020 examines the institution's evolution from an idea that art can inspire anyone who has access to it to one of the most beloved global collections in the world Focusing on key transformational moments this richly illustrated book provides insight into the visionary figures and events that led The Met in new directions Among the many topics explored are the impact of momentous acquisitions the central importance of education and accessibility the collaboration that resulted from international excavations the Museum's role in preserving cultural heritage and its interaction with contemporary art and artists Complementing this fascinating history are more than two hundred works that changed the very way we look at art as well as rarely seen archival and behind the scenes images In the final chapter Met Director Max Hollein offers a meditation on evolving approaches to collecting art from around the world strategies for reaching new and diverse audiences and the role of museums today
