Books For 20 Somethings:

20-Something, 20-Everything Christine Hassler, 2010-09-24 The midtwenties through the midthirties can be a time of difficult transition the security blankets of college and parents are gone and it's suddenly time to make far reaching decisions about career investments and adult identity When author Christine Hassler experienced what she calls the twenties triangle she found that she was not alone In fact an entire generation of young women is questioning their choices unsure if what they've been striving for is what they really want They're eager to set a new course for their lives even if that means giving up what they have Hassler herself left a fast moving career that wasn't right for her and instead took the risk of starting her own business Now based on her own experience and interviews with hundreds of women she shares heartfelt stories on issues from career to parents to boyfriends to babies Yet she also provides practical exercises to enable today's woman to chart a new direction for her life

20 Something Manifesto Christine Hassler, 2010-09-24 Surrounded by possibility but unsure of your direction You're not alone If you're in your twenties you're likely feeling the combination of the excitement of this defining decade and the pressure to figure out your entire life The thrill of newfound independence and opportunity can be quickly squelched by worry disillusionment or disappointment Like thousands of other twenty somethings you may have experienced what life coach and quarter life expert Christine Hassler calls an Expectation Hangover This manifesto explores the all important questions and life choices of these turbulent yet exciting years Twenty somethings may commiserate about the challenges they face but few resources offer practical lessons or suggestions In these pages quarter life men and women tell their stories sharing their successes and failures along with their frustrations and realizations The author's insightful commentary and take away suggestions provide the tools and skills you need to create change and direction in your life You'll recognize and articulate your personal goals paving the way to what you truly want

Hindsight 20/Something Austin Beaton, 2018-10-31 Being 23 is always crazy But being 23 right now It can feel like living an inch under the apocalypse This is a response to that conversation young 20somethings keep having at happy hour over FaceTime alone in their brain I don't know what I'm doing It's all so crazy My job's fine I guess I want to move I want a different life but I'm not sure how to change it and even if I could to what Hindsight 20 Something is a chronicle of quarter life crises stories of moving to the midwest and losing a lover losing your mind and changing your pronouns renting a house with a urinal in the living room coming out moving back in with your parents It's a book shaped living room of honest friends two nurses an architect a med student two poets a teacher a software engineer the depressed the wandering the anxious all in their 20s All here telling you that it's probably not okay right now And that's okay Austin Beaton is a poet essayist twenty something who studied regret at the University of Oregon where he was a finalist for the Walter and Nancy Kidd Memorial Writing Competition in Poetry His work has appeared in Boston Accent Porridge Magazine Angel City Review and elsewhere He lives near the Pacific Ocean and gives nicknames
