And These Three Remain... . Krista Weatherspoon,2012-11-11 Cross referencing Scriptures based on the Scripture 1 Corinthians 13 13 And these three remain faith hope love But the greatest of these is love **Christianity, Bible and Alternate Healing Therapy** Dr. Vikram Emmanuel Amolik,2025-05-06 *Portal Of Hope* Patrick Wright,2019-07-08 Portal of Hope presents a unique perspective on an ancient truth Reading it you will quickly discover that God has provided you and every believer in Christ with a portala passageway designed just for you to help you find God as He wants you to find Him now and know Him as He wants you to know Him nowno matter what is going on in your life or what you have done Within its pages you will learn how God wired us at Creation and why it holds the key to finding fulfillment how we can be freed from the deadly cycle that leads to depression how a person with a sane mind views the circumstances of life why embracing our limitations and weaknesses results in genuine Security what we can do to influence how events from our past impact us in the present Portal of Hope explains how you can know God and experience a transformation in your life by abiding in Christ It provides a biblical perspective on the conflicts struggles and questions Christians experience as they travel the path of spiritual maturity If you occasionally pass through discouraging situations feeling that what your heart really needs is beyond your reach then this book is for you *The Gospel Truth* Clinton Bezan,2023-01-05 Where does a new believer turn to find truth The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not In a knee jerk response to the strict religious shackles of the early church many of today s preachers bask in the hyper sensitivity that accompanies the cancel culture that proclaims it will not be judged In The Gospel Truth Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied We have an opportunity in this life to sincerely contemplate the things of God We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia **The Kuyper Center Review, Volume Five** Gordon Graham,2015-04-03 This volume of essays is a new step by the Abraham Kuyper Center for Public Theology at Princeton Theological Seminary to stimulate new work in the broad area of Reformed theology and public life The contributions here deal largely with political themes some contemporary some historical [God-Inspired Devotionals for Daily Life!](#) Cynthia M.
