Sorgitzak Veronica Cummer, 2008-03 This is a book about the religion once practiced ages ago in the Old Forest region of Europe The book contains channeled messages from the Gods of the Old Forest and from the fey as well as stories myths legends and bits and pieces of the old witch language It is not meant to be a Wicca 101 book but the next stage towards witches in particular those of European descent being able to reclaim their heritage In this regard there is no other book currently out there quite like this one Not only does it provide a link to the past but it also gives witches a potential focus for the future

The Cunning Craft Nicholaj de Mattos Frisvold, 2025-02-12 In *The Cunning Craft* Frisvold strives to clarify in a hermeneutic manner the deeper levels of the wise arts with a particular focus on their connections with the opposer more commonly known as the devil the mysteries of the night and the crossroads where power wisdom and mysteries are found In *The Cunning Craft* Frisvold delves deep into the hidden realms of ancient wisdom shining a light on the enigmatic connections between the craft and its opposing forces such as the devil the mysteries of the night and the powerful crossroads where secrets converge This book unveils the cunning arts in all their forms from the revered to the feared Here the devil stands as pivotal as any saint and wisdom flourishes where others dare not tread The cunning ones adept in magical arts and aided by denizens from beyond serve as conduits between worlds their rituals and rites steeped in both peril and power From the arcane teachings of Picatrix to the bold insights of Giordano Bruno this book celebrates the rich tapestry of esoteric knowledge With rituals honoring both poison and healing and nods to ancient figures like Master Cain *The Cunning Craft* invites sorcerers witches historians and the curious alike to explore the depths of mystery veiled by the celestial bodies and the shadowy figure of the devil

The Flame in the Cauldron Orion Foxwood, 2025-09-12 Few words entice and incite like the word witchery Thousands of self identified witches pagans and magical practitioners embrace the word but seldom go beyond the practice of the well accepted and learned forms of traditional witchcraft to explore the path of old witchery Orion Foxwood invites readers to walk on the path of old style witchery a nature based practice that is as old as the swamps and as wild as the woods For the first time Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery he highlights the differences and similarities between Wicca traditional witchcraft and old style witchery By weaving his own path to witchery throughout the book he gives readers examples of how to identify the way toward this path There is a revolution among the Pagan and Witchcraft communities a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch a thundering call deep within their very blood to become a healer a reckoner a protector of magical arts and a guardian of the wild woods
