Celebrity Matters Pasquale De Marco, 2025-08-14 *Celebrity Matters* is a timely and thought provoking examination of the phenomenon of celebrity in modern society Pasquale De Marco a lifelong observer of the entertainment industry draws on interviews with celebrities agents managers and other industry insiders to provide a unique perspective on the business of fame Pasquale De Marco explores the allure of fame the price of celebrity and the impact of social media on the lives of those in the spotlight He examines the challenges of staying relevant the pitfalls of overexposure and the impact of fame on relationships and mental health *Celebrity Matters* also explores the ethical implications of fame the responsibility of celebrities to use their platform for good and the impact of media scrutiny on the lives of those in the public eye Pasquale De Marco argues that fame is a double edged sword with the potential to bring both great rewards and great challenges Pasquale De Marco does not shy away from the dark side of fame examining the dangers of celebrity the impact of stalkers and the challenges of addiction He also explores the power of fame to inspire and the search for meaning in a world obsessed with celebrity *Celebrity Matters* is a must read for anyone interested in the entertainment industry celebrity culture or the impact of media on our lives Pasquale De Marco provides a unique perspective on the business of fame the challenges of staying relevant and the impact of social media on the lives of those in the spotlight He also explores the ethical implications of fame and the power of celebrities to use their platform for good Whether you re a fan of celebrities or not *Celebrity Matters* will give you a new understanding of the phenomenon of fame and its impact on our society If you like this book write a review

Barack Obama and African American Empowerment M. Marable, 2009-11-09 This book examines the evolution of black leadership and politics since the Civil Rights Movement It looks at the phenomenon of Barack Obama from his striking emergence as a successful candidate for the Illinois State Senate to President of the United States as part of the continuum of African American political leaders *Letters to President Obama* Hanes Walton, 2009-04-14 Collects letters written to President Barack Obama during his presidential campaign and subsequent election and inauguration covering a wide range of topics including foreign policy the Bush administration and religion

Religion, Race, and Barack Obama's New Democratic Pluralism Gastón Espinosa, 2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism

Between the World of Ta-Nehisi Coates and Christianity David Evans, Peter Dula, 2018-10-24 *Between the world of Ta Nehisi Coates and Christianity* there appears to be the widest difference Coates s brief comments on Christianity in his highly acclaimed *Between the World and Me* make clear that religious faith is alien to his own experience Still Christian audiences from congregations to theological schools engaged the text for its analysis of the state of race relations in the United States In September 2015 Ta Nehisi Coates tweeted Best thing about *BetweenTheWorldAndMe* is watching Christians engage the

work Serious learning experience for me This volume takes that tweet as an invitation to theologians ethicists and religious studies scholars to engage the book and as a challenge to do so in a way that is a learning experience for Coates the authors and readers

The Oxford Handbook of Political Psychology Leonie Huddy, David O. Sears, Jack S. Levy, Jennifer Jerit, 2023 This updated third edition gathers together an international group of distinguished scholars to provide an up to date account of key topics and areas of research in political psychology Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new chapters on authoritarianism nationalism status hierarchies and minority political identities along with updated material this is an essential reference for scholars and students interested in the intersection of the two fields

Communicating Marginalized Masculinities Ronald L. Jackson, Jamie E. Moshin, 2013 For years research concerning masculinities has explored the way that men have dominated exploited and dismantled societies asking how we might make sense of marginalized masculinities in the context of male privilege This volume asks not only how terms such as men and masculinity are socially defined and culturally instantiated but also how the media has constructed notions of masculinity that have kept minority masculinities on the margins Essays explore marginalized masculinities as communicated through film television and new media visiting representations and marginalized identity politics while also discussing the dangers and pitfalls of a media pedagogy that has taught audiences to ignore sidestep and stereotype marginalized group realities While dominant portrayals of masculine versus feminine characters pervade numerous television and film examples this collection examines heterosexual and queer military and civilian as well as Black Japanese Indian White and Latino masculinities offering a variance in masculinities and confronting male privilege as represented on screen appealing to a range of disciplines and a wide scope of readers
