"A Study Guide for Toni Cade Bambara's ""Those Bones Are Not My Child""" Gale, Cengage, 2018-12-13 A Study Guide for Toni Cade Bambara's *Those Bones Are Not My Child* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. *Crime File Study Guide*, Document Retrieval Index, 1972 **NIJ Reports**, 1986 **Rape Investigation Handbook** John O. Savino, Brent E. Turvey, 2011-08-23 *Rape Investigation Handbook* details specific investigative and forensic processes related to sex crimes, casework invaluable to those in law enforcement, the legal community, and the private sector. It takes the reader through these processes in a logical sequence, showing how investigations of rape and sexual assault can and should be conducted from start to finish. The second edition is reorganized to flow from the alleged assault to a courtroom trial. Section heads have been introduced, and it includes six new chapters on sex crimes, sex trafficking, forensic victimology, eyewitness reports, rape trauma syndrome, and rapist motivations. The remaining 12 chapters are entirely overhauled and, in some cases, completely rewritten by new, highly qualified contributors, such as *Sexual Assault Examination and Reconstruction* by Brent E. Turvey and Charla Jamerson and *Rapist Motivations* by Brent E. Turvey and Jodi Freeman. An additional appendix was added to provide current case studies. Includes six new chapters on sex crimes, sex trafficking, forensic victimology, eyewitness reports, rape trauma syndrome, and rapist motivations. Written in a clear, practical style, ideal for sex crime investigators, including professionals in forensic nursing, forensic laboratories, law enforcement, and the legal community. Authored by qualified investigators and forensic professionals with over 30 years of collective experience working cases, preparing them for court, and offering testimony. **Principles of Leadership and Management in Law Enforcement** Michael L. Birzer, Gerald J. Bayens, Cliff Roberson, 2012-06-18 Effective police organizations are run with sound leadership and management strategies that take into account the myriad of challenges that confront today's law enforcement professionals. *Principles of Leadership and Management in Law Enforcement* is a comprehensive and accessible textbook exploring critical issues of leadership within police agencies. Bottlenecks William Mellor, Dick M. Carpenter II, 2016-12-13 Bottleneck: a person who advocates for the creation or perpetuation of government regulation, particularly an occupational license, to restrict entry into his or her occupation, thereby accruing an economic advantage without providing a benefit to consumers. The Left, Right, and Center all hate them: powerful special interests that use government power for their own private benefit. In an era when the Left hates fat cats and the Right despises crony capitalists, now there is an artful and memorable one-word pejorative they can both get behind: bottleneckers. A bottleneck is anyone who uses government power to limit competition and thereby reap monopoly profits and other benefits. Bottleneckers work with politicians to constrict competition, entrepreneurial innovation, and opportunity. They thereby limit consumer choice, drive up

consumer prices and they support politicians who willingly overstep the constitutional limits of their powers to create maintain and expand these anticompetitive bottlenecks The Institute for Justice s new book Bottleneckers coins a new word in the American lexicon and provides a rich history and well researched examples of bottleneckers in one occupation after another from alcohol distributors to taxicab cartels pointing the way to positive reforms
