

"An insightful, intimate portrait of America's fighting women in Iraq.
This is must reading." —CHARLES JONES
author of *Red, White, or Yellow?: The Media and the Military at War in Iraq*

BAND OF SISTERS

American Women at War in Iraq

KIRSTEN HOLMSTEDT

FOREWORD BY MAJ. L. TAMMY DUCKWORTH

Band Of Sisters American Women At War In Iraq

**Douglas Walter Bristol, Heather Marie
Stur**

Band Of Sisters American Women At War In Iraq:

Band of Sisters Kirsten A. Holmstedt, 2007 Band of Sisters Kirsten Holmstedt, 2008 Profiles twelve women soldiers who have served in the Iraq War describing their experiences in the war discussing the pressures of the job and touching on the difficulties of being a woman in the military An Encyclopedia of American Women at War Lisa . Tendrich Frank, 2013-01-17 A sweeping review of the role of women within the American military from the colonial period to the present day In America the achievements defeats and glory of war are traditionally ascribed to men Women however have been an integral part of our country s military history from the very beginning This unprecedented encyclopedia explores the accomplishments and actions of the fairer sex in the various conflicts in which the United States has fought An Encyclopedia of American Women at War From the Home Front to the Battlefields contains entries on all of the major themes organizations wars and biographies related to the history of women and the American military The book traces the evolution of their roles as leaders spies soldiers and nurses and illustrates women s participation in actions on the ground as well as in making the key decisions of developing conflicts From the colonial conflicts with European powers to the current War on Terror coverage is comprehensive with material organized in an easy to use A Z ready reference format **Understanding War** Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm s war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

PTSD and Folk Therapy John Paul Wallis, Jay Mechling, 2019-09-06 Using war memoirs war journalism and the personal experiences of John Paul Wallis as a Marine with two tours of duty in Iraq Wallis and Mechling analyze the folklore shared by male warriors in the combat zone to understand how the traditional everyday practices of these men in groups serve as a form of psychological first aid for relieving the symptoms associated with the stress of living working and fighting in the combat zone The authors study how boys and men are socialized in American culture the context for their examining the folk traditions including pet keeping rough and tumble play fighting video game play masturbation dark play and deep play

Integrating the US Military Douglas Walter Bristol, Heather Marie Stur, 2017-05 *Integrating the US Military* is an edited collection that examines the US Army s role and place in progressive social change through the lens of the military experience of African Americans women and gays since World War II By making this long overdue comparison the editors

argue this anthology demonstrates how the challenges launched against the racial gender and sexual status quo in the years after World War II transformed overarching ideas about power citizenship and America's role in the world This anthology's major contribution is synthesizing recent scholarly work on the history of minorities and women in the US military It does so by examining connections between GIs and civilian society in the context of ideologies of race gender and sexuality Given the militarization of American society since World War II revealing the links between these legally marginalized groups within the Armed Services is historically significant in its own right At the same time this comparison also sheds new light on a broad range of issues that affected civilian society such as affirmative action integration marriage laws and sexual harassment Integrating the US Military is a book designed for college students military professionals policy makers and general readers Allowing readers to view the history of several civil rights movements within the Armed Forces will prompt them to rethink the way they understand the history of social movements It will also help them to better understand the relationship between the military and American society Finally readers will gain a historical perspective on recent debates about the rights of gays in the military and the implications of deploying women in combat Provided by publisher

Service above Self Erika Cornelius Smith, 2022-08-04 The 2018 midterm elections were both record breaking and pathbreaking Americans elected four women to the Senate along with twenty four women to the House At the same time nearly two hundred veterans were on ballots across the country including a dozen women with military service experience three of whom won their races Two years later female veterans campaigned for office at every level including a run for presidential nominee of a major party Service above Self Women Veterans in American Politics explores this burgeoning area of interest by looking closely at the careers of former servicewomen in US politics Despite the growing presence of women candidates with military service or intelligence backgrounds in elected office throughout the United States this is the first book to examine the motivation messaging and connections between military and public service for female veterans Erika Cornelius Smith unravels the stories of the many trailblazing women including Elaine Luria Chrissy Houlahan Elissa Slotkin Tammy Duckworth Joni Ernst Martha McSally and Tulsi Gabbard and points the way for future studies Inspired by their diverse paths to politics the unique ways in which they communicate their experiences as well as their policy positions this work explores several important questions What motivates servicewomen to run for office When do their backgrounds in military service align with their mission for public service How does experience as a servicemember affect their ability to navigate gendered stereotypes about female candidates and foreign policy The answers revealed in their personal and professional narratives shed light on this historically significant cohort of political leaders The first scholarly synthesis of women with military quasimilitary or intelligence backgrounds competing in political campaigns Service above Self examines a long history of US women who served in or adjacent to the US military and translated those experiences into elected office It is the first analysis of how they transitioned from national defense to public service and what they did when they got to Washington DC

Women in the American Political System Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Army History ,2010 On Point Tracy Crow, H. Lee Barnes, 2015-09-01 On point is a military term used to designate the infantryman who will lead patrol the riskiest of all positions Writing is risky business too For the veteran suffering from post traumatic stress writing can trigger painful and disturbing flashbacks But writing is also risky for the ego It s one thing to write a military story especially a story based on authentic experiences it is quite another to muster the courage to share that story with others for critique and feedback In On Point Tracy Crow an award winning military journalist former Marine Corps officer college writing professor military novelist memoirist and editor presents a roadmap for writing an authentic military story Drawing from her personal experiences and those of other veteran writers and from the insights of noteworthy writing and teaching professionals On Point is the guide Crow wished she d had when she first began writing about her military experience While writing guidebooks abound no book specifically addresses the unique challenges and rewards facing soldiers who risk reliving their personal traumas to craft a military story drawn with courage and candor On Point is a guide for any writer who wishes to tell an authentic military story developed especially for veterans and their families for whom writing may serve as a form of healing
