

Barack Obama People In The News

Burton I. Kaufman

Barack Obama People In The News:

Barack Obama Burton I. Kaufman, 2022-03-15 In this insightful biography Burton I Kaufman explores how the political career of Barack Obama was marked by conservative tendencies that frustrated his progressive supporters and gave the lie to socialist fearmongering on the right Obama's was a landmark presidency that paradoxically Kaufman shows resulted in few if any radical shifts in policy Following his election President Obama's supporters and detractors anticipated radical reform As the first African American to serve as president he reached the White House on a campaign promise of change But Kaufman finds in Obama clear patterns of classical conservatism of an ideological sort and basic policy making pragmatism His commitment to usher in a multiracial multiethnic and multicultural society was fundamentally connected to opening up but not radically altering the existing free enterprise system The Affordable Care Act arguably President Obama's greatest policy achievement was a distillation of his complex motivations for policy More conservative than radical the ACA fitted the expansion of health insurance into the existing system Similarly in foreign policy Obama eschewed the use of force to affect regime change Yet he kept boots on the ground in the Middle East and supported ballot box revolts geared toward achieving in foreign countries the same principles of liberalism free enterprise and competition that existed in the United States In estimating the course and impact of Obama's full political life Kaufman makes clear that both the desire for and fear of change in the American polity affected the popular perception but not the course of action of the forty fourth US president

The People's News Joseph E. Uscinski, 2014-02-03 Uncovers the surprising cause behind the recent rise of fake news In an ideal world journalists act selflessly and in the public interest regardless of the financial consequences However in reality news outlets no longer provide the most important and consequential stories to audiences instead news producers adjust news content in response to ratings audience demographics and opinion polls While such criticisms of the news media are widely shared few can agree on the causes of poor news quality The People's News argues that the incentives in the American free market drive news outlets to report news that meets audience demands rather than democratic ideals In short audiences opinions drive the content that so often passes off as the news The People's News looks at news not as a type of media but instead as a commodity bought and sold on the market comparing unique measures of news content to survey data from a wide variety of sources Joseph Uscinski's rigorous analysis shows news firms report certain issues over others not because audiences need to know them but rather because of market demands Uscinski also demonstrates that the influence of market demands also affects the business of news prohibiting journalists from exercising independent judgment and determining the structure of entire news markets as well as firm branding Ultimately the results of this book indicate profit motives often trump journalistic and democratic values The findings also suggest that the media actively responds to audiences thus giving the public control over their own information environment Uniting the study of media effects and media content The People's News presents a powerful challenge to our ideas of how free market media outlets meet our

standards for impartiality and public service

Barack Obama and African American Empowerment M.

Marable, 2009-11-09 This book examines the evolution of black leadership and politics since the Civil Rights Movement It looks at the phenomenon of Barack Obama from his striking emergence as a successful candidate for the Illinois State Senate to President of the United States as part of the continuum of African American political leaders *Obama Power* Jeffrey C. Alexander, Bernadette N. Jaworsky, 2014-08-12 What is the source of Obama's power How is it that after suffering a humiliating defeat in the 2010 mid term elections Obama was able to turn the situation around deftly outmaneuvering his opponent and achieving a decisive victory in the November 2012 presidential election In this short and brilliant book Jeffrey Alexander and Bernadette Jaworsky argue that neither money nor demography can explain this dramatic turnaround What made it possible they show was cultural reconstruction Realizing he had failed to provide a compelling narrative of his power the President began forging a new salvation story It portrayed the Republican austerity budget as a sop to the wealthy and Obama as a courageous hero fighting for plain folks against the rich The reinvigorated cultural performance pushed the Tea Party off the political stage in 2011 and Mitt Romney became fodder for the script in 2012 Democrats painted their Republican opponent as a backward looking elitist a Bain capitalist whose election would threaten the civil solidarity upon which democracy depends Real world events can spoil even the most effective script Obama faced monthly unemployment numbers the daunting Bin Laden raid three live debates and Hurricane Sandy The clumsiness of his opponent and his own good fortune helped the President but it was the poise and felicity of his improvisations that allowed him to succeed a second time Converting events into plot points the President demonstrated the flair for the dramatic that has made him one of the most effective politicians of modern times While persuasively explaining Obama's success this book also demonstrates a fundamental but rarely appreciated truth about political power in modern democratic societies namely that winning power and holding on to it have as much to do with the ability to use symbols effectively and tell good stories as anything else

The Obama Administration Rachel Pistol, Dawn-Marie Gibson, 2024-12-12 This collection offers a detailed assessment of the varied ways in which President Barack Obama was received by audiences beyond America's borders and assesses what effect this had on his foreign policy initiatives The book approaches international perceptions of President Obama through specific case study examinations of his most significant state visits offering original insights into Obama's reception in Europe the Middle East East Asia the Caribbean and Africa Chapters on Europe explore the complex relationship that Obama shared with both British Prime Minister David Cameron and Northern Ireland's fragile executive The papal visit is also examined as well as Obama's image in Russia which explores the varied ways in which state controlled media attempted to portray Obama as an enemy of Russia Chapters on the Middle East address the various shifts that occurred in America's relationship with Iran under Obama Israeli hostilities towards Obama and Turkey's more assertive foreign policy Other contributions include analysis of Obama's visits to Ghana and Kenya providing important insights into US Africa relations

under his administration and Obama's historic visit to the Hiroshima Peace Memorial in Japan. Together these essays provide a detailed and comprehensive assessment of Obama's state visits with much needed insight into how the perceptions of Obama formed by these visits affected the US diplomatic and foreign policy initiatives under his administration. **The Brainwashing of My Dad** Jen Senko, 2021-10-05 After her beloved dad got addicted to right wing talk radio and Fox News Jen Senko feared he would never be the same again. Frank Senko had always known how to have a good time. Despite growing up in a poverty stricken family during the Depression and having to fight his way to middle class status as an adult he tended to look on the bright side. But after a job change forced Frank to begin a long car commute every day his daughter Jen noticed changes in his personality and beliefs. Long hours on the road listening to talk radio commentators like Rush Limbaugh sucked her father into a suspicion laden worldview dominated by conspiracy theories, fake news and rants about the coastal elite and libtards trying to destroy America. Over the course of a few years Jen's dad went from a nonpolitical open minded Democrat to a radical angry and intolerant right wing devotee who became a stranger to those closest to him. As politics began to take precedence over everything else in her father's life Jen was mystified. What happened to her dad? Was there anything she could do to help? And most importantly would he ever be his lovable self again? Jen began the search for answers and found them as well: stories from countless other families like her own. Based on the award winning documentary **The Brainwashing of My Dad** uncovers the alarming right wing strategy to wield the media as a weapon against our very democracy. Jen's story shows us how Fox News and other ultra conservative media outlets are reshaping the way millions of Americans view the world and encourages us to fight back. **Barack Obama and the Arab Spring** Ahmed Y.

Zohny, 2021-06-22 In **Barack Obama and the Arab Spring: A Successful Balancing Act of Foreign Policy and Diplomacy** Ahmed Zohny develops a well blended marriage of history and political theories of U.S. foreign policy, diplomacy, public diplomacy and national security. In this interdisciplinary research he uses data and findings from both the Arabic and English languages by genealogically examining President Obama's foreign policy and diplomacy in response to the chronology of the unfolding events of the 2011 Arab Spring in Tunisia, Egypt, Libya, Syria, Bahrain and Yemen. President Obama and his top diplomats' performances in response to each country's events are assessed, critically analyzed and compared to one another in terms of the U.S. bilateral relations with each country, U.S. national interests and her strategic goals in the Middle East region. The findings of this research indicate that President Obama's foreign policy and public diplomacy toward the Arab Spring proved to be a successful balancing act, prudent and in the best national interests of the United States in the Middle East. **The Plot to Scapegoat Russia** Dan Kovalik, 2017-06-06 An in depth look at the decades long effort to escalate hostilities with Russia and what it portends for the future. Since 1945 the US has justified numerous wars, interventions and military build ups based on the pretext of the Russian Red Menace, even after the Soviet Union collapsed at the end of 1991 and Russia stopped being Red. In fact the two biggest post war American conflicts, the Korean and Vietnam wars, were not as has been

frequently claimed about stopping Soviet aggression or even influence but about maintaining old colonial relationships Similarly many lesser interventions and conflicts such as those in Latin America were also based upon an alleged Soviet threat which was greatly overblown or nonexistent And now the specter of a Russian Menace has been raised again in the wake of Donald Trump s election The Plot to Scapegoat Russia examines the recent proliferation of stories usually sourced from American state actors blaming and manipulating the threat of Russia and the long history of which this episode is but the latest chapter It will show readers two key things 1 the ways in which the United States has needlessly provoked Russia especially after the collapse of the USSR thereby squandering hopes for peace and cooperation and 2 how Americans have lost out from this missed opportunity and from decades of conflicts based upon false premises These revelations amongst other make The Plot to Scapegoat Russia one of the timeliest reads of 2017

The 1956 Suez War and the New World Order in the Middle East Yagil Henkin,2015-10-22 The 1956 Suez War fought between Egypt and the improbable coalition of Britain France and Israel was a key point in the history of the Middle East and the Arab Israeli conflict A blitzkrieg style Israeli victory proved that Israel s victory in the 1948 war was not an accident to be swiftly fixed by Arab armies and gave the country eleven years of relative peace until the next major conflict An Anglo French blunder marked the decline of British and French influence in the Middle East to be replaced by Soviet and US involvement Egyptian defiance of the great powers of the past marked the high point of Arab nationalism Despite the importance of the Suez conflict almost no comprehensive military history of it exists This book changes this by presenting a clear comprehensive narrative of the conflict with a special emphasis on the military decisions and the short and long term results of the conflict both tactical and strategic military and political

Dramatic Storytelling & Narrative Design Ross Berger,2019-08-29 This book describes narrative design s role in game development provide examples of its practical usage delve into the day to day expectations and assess its quality in 5 popular games Additionally it will discuss the influence of transmedia storytelling in today s games and how its impact continues to grow Today s IP transcends a single medium Accordingly creating its story across various media outlets is necessary to meet the high demands of millennial and GenZ consumers Game narrative is often the centerpiece of these transmedia extensions

Barack Obama People In The News Introduction

In today's digital age, the availability of Barack Obama People In The News books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Barack Obama People In The News books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Barack Obama People In

The News books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Barack Obama People In The News versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Barack Obama People In The News books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Barack Obama People In The News books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Barack Obama People In The News books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Barack Obama People In The News books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Barack Obama People In The News books and manuals for download and embark on your journey of

knowledge?

FAQs About Barack Obama People In The News Books

What is a Barack Obama People In The News PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Barack Obama People In The News PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Barack Obama People In The News PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Barack Obama People In The News PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Barack Obama People In The News PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
