be enhanced through path goal relational approach of management to augment scientific viewpoint on matters like organizational strategy social dynamicity and human capacity building for the purpose of world peace global tranquility and human existential freedom of living The volume is the first and new one as an innovative technique of social business reengineering process for creative managerial guidance to the effective cause of development of human resources as well as leadership goal of organizational life style in the changing phase of technological society and global order of the twenty first century

Pointless RW Boyer,2020-10-29 This book examines how major interpretations of quantum theory are progressing toward a more unified understanding and experience of nature It offers subtle insights to address core issues of wave particle duality the measurement problem the mind body problem determinism indeterminism free will and the nature of consciousness It draws from physics consciousness studies and ancient Vedic science to outline a new holistic interpretation of quantum theory Accessible and thought provoking it will be profoundly integrating for scholars and researchers in science and technology in philosophy and also in South Asian studies

Transcendental Meditation in America Joseph Weber,2014-04-01 The Indian spiritual entrepreneur Maharishi Mahesh Yogi took the West by storm in the 1960s and 70s charming Baby Boomers fed up with war and social upheaval with his message of meditation and peace Heeding his call two thousand followers moved to tiny Fairfield Iowa to set up their own university on the campus of a failed denominational college Soon they started a school for prekindergarten through high school allowing followers to immerse themselves in Transcendental Meditation from toddlerhood through PhDs Although Fairfield s longtime residents were relieved to see that their new neighbors were clean cut and respectably dressed not the wild haired drug using hippies they had feared the newcomers nevertheless quickly began to remake the town Stores selling exotic goods popped up TM followers built odd looking homes that modeled the guru s rules for peace inspiring architecture and the new university knocked down a historic chapel even as it erected massive golden domed buildings for meditators Some newcomers got elected and others were defeated when they ran for local and statewide offices At times thousands from across the globe visited the small town Yet Transcendental Meditation did not always achieve its aims of personal and social tranquility Suicides and a murder unsettled the meditating community over the years and some followers were fleeced by con men from their own ranks Some battled a local farmer over land use and one another over doctrine Notably the world has not gotten more peaceful Today the guru is dead His followers are graying and few of their children are moving into leadership roles The movement seems rudderless its financial muscle withering despite the efforts of high profile supporters such as filmmaker David Lynch and media magnate Oprah Winfrey Can TM reinvent itself And what will be the future of Fairfield itself By looking closely at the transformation of this small Iowa town author Joseph Weber assesses the movement s surprisingly potent effect on Western culture sketches out its peculiar past and explores its possible future
