Banned S Challenging Our Freedom To Read

April M. Dawkins

Banned S Challenging Our Freedom To Read:

Banned Books Robert P. Doyle, 2010 From Back Cover of Book Banned books Challenging Our Freedom To Read provides a framework for understanding censorship and the protections guaranteed to us through the first amendment Interpretations of the uniquely American notion of freedom of expression and our freedom to read what we choose are supplemented by straightforward easily accessible information that will inspire further exploration This updated and expanded 2010 edition features a new streamlined design that will make this an essential reference you ll return to time and again Contents include Insight the challenge of censorship Interpretation the first amendment the freedom of expression and the freedom to read Information first amendment timeline court cases glossary bibliography and quotations Ideas celebration guide for banned books week and communication guide for librarians Incidents top ten challenged books of 2009 and challenged or banned books more than 1800 titles listed alphabetically by author plus title topical and geographical indices

Banned Books ,2007 *Intellectual Freedom Issues in School Libraries* April M. Dawkins, 2020-11-11 This up to date volume of topical School Library Connection articles provides school librarians and LIS professors with a one stop source of information for supporting the core library principle of intellectual freedom School librarians continue to advocate for and champion student privacy and the right to read and have unfettered access to needed information Updated and current information concerning these issues is critical to school librarians working daily with students parents and faculty to manage library programs services and print and digital collections This volume is an invaluable resource as school librarians revisit collection development scheduling access and other policies Library science professors will find this updated volume useful for information and discussion with students Drawing on the archives of School Library Connection Library Media Connection and School Library Monthly magazines and with comprehensive updates throughout chapters tackle privacy the right to read censorship equal access to information and other intellectual freedom issues New laws and legal and ethical opinions continue to appear and help inform the daily response school librarians have to current issues This volume updates all included articles with current legal thought and opinion Intellectual freedom expert April Dawkins offers practical advice and commentary throughout

Scales on Censorship Pat R. Scales, 2015-04-14 Pat Scales has been a passionate advocate for intellectual freedom long before she launched the Scales on Censorship column with School Library Journal in 2006 Decades of experience as a school librarian informs her ongoing work on these important and often volatile issues as did her tenure in leadership roles on the American Library Association s Intellectual Freedom Committee and at the Freedom To Read Foundation It also earned her a place among the inaugural list of Library Journal s Movers Shakers in 2002 Since her first column for SLJ she has been in an ongoing conversation of sorts with librarians teachers and parents a much needed conversation This collection of the wide ranging questions from readers and Scales informative answers are gathered in broad thematic groups to help readers explore the all too daily reality of confronting efforts to censor ban or otherwise limit

open and ready access to materials in our schools and libraries They were all written in response to active book challenges or questions of intellectual freedom and library ethics These columns have a ripped from the headlines immediacy even as they reflect the core values and policies of librarianship They are organized by topic and each is framed with a brief new introductory essay Scales powerful reputation and practical ethically based solutions has made her a key spokesperson and support for librarians working under a censorship siege Her passionate unwavering voice provides valuable strategic and tactical approaches to censorship fine tuned insight into individual books often challenged and critical moral support for managing trying conversations Scales is focused throughout on fostering a culture that embraces and understands the importance of intellectual freedom and the tools to make it a reality every day in our libraries schools and communities Learn from her to build a background in the ethics involved in defending intellectual freedom and lean on her for insights into real life situations Scales on Censorship is an essential ally in the ongoing fight

Challenging and Controversial Picturebooks
Janet Evans, 2015-06-05 It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text however there are increasing numbers of picturebooks where the age of the implied reader is questionable These are picturebooks whose controversial subject matter and unconventional often unsettling style of illustration challenge the reader pushing them to question and probe deeper to understand what the book is about In addition to the book challenging the reader the reader often challenges the book in an attempt to understand what is being said These increasingly popular picturebooks work on many different levels they are truly polysemic and worthy of in depth analysis They push the reader to ask questions and in many instances are intrinsically philosophical often dealing with fundamental life issues Challenging and Controversial Picturebooks examines these unconventional non conformist picturebooks considering what they are their audience and their purpose It also considers Children s and adults thoughts on these kinds of picturebooks How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought What creates non conformity and strangeness is it the illustrations and their style the subject matter or a combination of both Why certain countries create promote and accept these picturebooks more than others Why certain picturebooks are censored and what factors are in play when these decisions are made The role of publishers in translating and publishing these picturebooks Children s creative and critical responses to strange unsettling and often disturbing visual texts This inspiring and thought provoking volume explores the work of a number of highly respected international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge Managing Director of Andersen Press one of the few remaining independent children s book publishers in England It is an indispensable reference for all interested in or working with picturebooks including researchers students in higher and teacher education English advisors inspectors literacy consultants and classroom teachers

Intellectual Freedom for Teens Kristin Fletcher-Spear, Kelly Tyler, 2014-09-01 It s important for YA librarians to understand the types of challenges occurring in libraries around the

nation and to be ready to deal with such challenges when they occur Banned Books Robert P. Doyle, 2017 Provides a framework for understanding censorship and the protections guaranteed to us through the first amendment Interpretations of the uniquely American notion of freedom of expression and our freedom to read what we choose are supplemented by straightforward easily accessible information that will inspire further exploration *Defending Frequently Challenged Young Adult Books* Pat R. Scales, 2016-09-08 A Day No Pigs Would Die Speak Thirteen Reasons Why These are some of the most beloved and most challenged books Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges While ALA's Office for Intellectual Freedom reports more than 4 500 challenges to young adult literature from 2000 through 2009 This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers With a profile of each book that includes its plot and characters related materials and published reviews awards and prizes and Web and audiovisual resources you will be prepared to answer even the toughest attacks Library and Information Science Michael F. Bemis, 2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance In addition to compiling an invaluable list of sources Bemis digs deeper examining the strengths and weaknesses of key works A boon to researchers and practitioners alike this bibliography Includes coverage of subjects as diverse and vital as the history of librarianship its development as a profession the ethics of information science cataloging reference work and library architecture Encompasses encyclopedias dictionaries directories photographic surveys statistical publications and numerous electronic sources all categorized by subject Offers appendixes detailing leading professional organizations and publishers of library and information science literature This comprehensive bibliography of English language resources on librarianship the only one of its kind will prove invaluable to scholars students and anyone working in the field *Censored* Matthew Fellion, Katherine Inglis, 2017-09-05 When Henry Vizetelly was imprisoned in 1889 for publishing the novels of mile Zola in English the problem was not just Zola's French candour about sex it was that Vizetelly's books were cheap and ordinary people could read them Censored exposes the role that power plays in censorship In twenty five chapters focusing on a wide range of texts including the Bible slave narratives modernist classics comic books and Chicana o literature Matthew Fellion and Katherine Inglis chart the forces that have driven censorship in the United Kingdom and the United States for over six hundred years from fears of civil unrest and corruptible youth to the oppression of various groups religious and political dissidents same sex lovers the working class immigrants women racialized people and those who have been incarcerated or enslaved The authors also consider the weight of speech and when restraints might be justified Rich with illustrations that bring to life the personalities and the books that feature in its stories Censored takes readers behind the scenes into the courtroom battles legislative debates public campaigns and private exchanges that have shaped the course of literature A

vital reminder that the freedom of speech has always been fragile and never enjoyed equally by all Censored offers lessons from the past to guard against threats to literature in a new political era
