Us Army Field Manual 21-26 Map Reading & Land Navigation Us Army,2017-03-14 This volume is the fifth in a series of books that Battles Book Reviews Publishing is releasing that encompass reprints of public domain US Military manuals that are useful to the prepping community This book contains the full text and images contained within the May 193 version of Field manual 21 26 Map Reading Land Navigation This manual is the US Army s basic manual used to teach new soldiers how to read a map and how to navigate It is an essential how to written in plain language designed to take even the most inexperienced person and get them to the point where they can find where they are on a map and accomplish that most basic of soldier skills navigate from one point on a map to another while dismounted or mounted Every soldier should be able to do this and every person who ever expects to go into the backwoods for any conceivable reason should be able to do it as well This manual is the perfect reference to get you are started on learning how to not get lost in the first place US Army Field Manual 5-34 Engineer Field Data U. S. US Army,CREATESPACE INDEPENDENT PUB,2017-02-28 This volume is the fourth in a series of books that Battles Book Reviews Publishing is releasing that encompass reprints of public domain US Military manuals that are useful to the prepping community This book contains the full text and images contained within the April 2003 version of Field manual 5 34 Engineer Field Data This manual is packed with useful data tables on just about every aspect of military operations It was one of my go to manuals during my own military career and I always had a copy in the turret of my Bradley behind the coax ready box so I could get to it without digging when I needed it **US Army Field Manual 23-35 Combat Training with Pistols and Revolvers** U. S. US Army,2016-08-26 This volume is the second in a series of books that Battles Book Reviews Publishing is releasing that encompass reprints of public domain US Military manuals that are useful to the prepping community This book contains the full text and images contained within the October 1988 version of Field manual 23 35 Combat training with Pistols and Revolvers This was the final version of the manual that included the M1911A1 caliber 45 while also including the newly fielded M9 9mm as well the caliber 38 Smith Wesson and Ruger revolvers issued to military aviators and law enforcement personnel The contents of this volume are a faithful cleaned up edition of this manual that has been formatted to fit the paper size Further volumes in this series are forthcoming **US Army Field Manual 5-15 Field Fortifications** U. S. US Army,2017-01-07 This volume is the second in a series of books that Battles Book Reviews Publishing is releasing that encompass reprints of public domain US Military manuals that are useful to the prepping community This book contains the full text and images contained within the August 1968 version of Field manual 5 15 Field Fortifications This is an older manual that was superseded in the early 1980 s by two manuals FM 5 102 Countermobility and FM 5 103 Survivability These two successor manuals are much more concentrated on planning factors for engineers and less so on the nuts and bolts of actually building and emplacing field fortifications I will release these two manuals as hardcopies also at some future time but I wanted to get this manual out there sooner since it is full of

more immediately practical information than either 5 102 or 5 103 which are written much more as planning manuals than something you pull out in the field to find practical information on what you need to build a specific obstacle and or fortification The contents of this volume are a faithful cleaned up edition of this manual that has been formatted to fit the paper size Further volumes in this series are forthcoming *Operational Terms and Graphics* Department of the Army, 2014-04-28 This manual is a dual Service US Army and US Marine Corps publication introducing new terms and definitions and updating existing definitions as reflected in the latest editions of Army field manuals and Marine Corps doctrinal warfighting and reference publications It complies with DOD Military Standard 2525 When communicating instructions to subordinate units commanders and staffs from company through corps should use this manual as a dictionary of operational terms and military graphics This manual incorporates changes in joint terminology and definitions as reflected in JP 1 02 as amended through June 2003 and provides a single standard for developing and depicting hand-drawn and computer generated military symbols for situation maps overlays and annotated aerial photographs for all types of military operations The symbology chapters of this manual focus primarily on land military symbols applicable for the Army and Marine Corps In addition to terminology this manual includes the following updated lists Approved acronyms and abbreviations with their expansions Two letter country codes Brevity codes and their meanings Procedural words Tactical tasks This manual applies to the Active Army the US Army Reserves the Army National Guard and the US Marine Corps
