A Moose and a Lobster Walk Into a Bar ... John McDonald, 2017 *Moose Memoirs and Lobster Tales* John McDonald, 2016-07-15 John McDonald has been making people laugh for decades with his humorous yarns poking fun at people from away people from Maine and life in general Following up the wildly popular *A Moose and a Lobster Walk into a Bar* the Dean of Maine Storytelling offers a new collection of stories that will make you laugh till you cry and cry till you laugh Here s a new round of classic stories brimming with half truths stretched truths and wry observations about life in Maine **Vacationland** John Hodgman, 2018-05-29 I love everything about this hilarious book except the font size Jon Stewart Although his career as a bestselling author and on *The Daily Show With Jon Stewart* was founded on fake news and invented facts in 2016 that routine didn t seem as funny to John Hodgman anymore Everyone is doing it now Disarmed of falsehood he was left only with the awful truth John Hodgman is an older white male monster with bad facial hair wandering like a privileged Sasquatch through three wildernesses the hills of Western Massachusetts where he spent much of his youth the painful beaches of Maine that want to kill him and some day will and the metaphoric haunted forest of middle age that connects them *Vacationland* collects these real life wanderings and through them you learn of the horror of freshwater clams the evolutionary purpose of the mustache and which animals to keep as pets and which to kill with traps and poison There is also some advice on how to react when the people of coastal Maine try to sacrifice you to their strange god Though wildly Hodgmaniacally funny as usual it is also a poignant and sincere account of one human facing his forties those years when men in particular must stop pretending to be the children of bright potential they were and settle into the failing bodies of the wiser weird dads that they are Maine Christian P. Potholm, 2011-12-16 Exciting and fascinating *Maine An Annotated Bibliography* is a look at the Maine Experience from its many historical political social and literary perspectives Organized under such unifying themes as *The Wild Wild East* *Ethnicity Matters* *Women in Maine* and *Maine in the Civil War* the work gives readers a most useful and often humorous overview of over 400 books written about Maine The author introduces the reader to many often overlooked works from the nineteenth century and early twentieth century such as those by Sally Field Elijah Kellogg and Chenoa Hall as well as many studies of familiar political figures such as Bill Cohen Ed Muskie Joshua Chamberlain Angus King Margaret Chase Smith and George Mitchell A valuable resource for anyone interested in the Pine Tree State **The Traveling Tea Shop** Belinda Jones, 2015-03-03 The road trip of a lifetime teaches one woman that love isn t always a piece of cake in this charming novel Laurie Davis has always followed her passion After escaping family drama to start a new life in New York City she s up for whatever challenges life brings So when an opportunity arises for her to use her travel industry expertise and serve as an assistant and tour guide for her idol Pamela Lambert Leigh star of television s *Tea Time with Pamela* she jumps at the chance But Laurie s exciting adventure ends up entailing a lot more than scouting locations for the cake queen s new cookbook when Pamela s sassy mother and sulky rebellious daughter tag along for the trip
