A Mystical Portrait Of Jesus New Perspectives On Johns Gospel:

A Mystical Portrait of Jesus Demetrius Dumm, 2001 The poetic and symbolic nature of John's gospel betrays the weakness of historical critical and other scientific methods of scriptural exegesis Although valuable for the insights they do provide scientific methods are not sensitive to the spiritual dimensions of biblical revelation Father Dumm therefore offers something more than the traditional chapter and verse commentary Understanding that all of the gospels were written after the resurrection and consequently that the passion narrative greatly influenced how the earlier chapters were composed Father Dumm gives more prominence to the climax of the career of Jesus his passion death and resurrection By beginning at the end Father Dumm uncovers the guiding principle of this gospel In the process he makes some surprising discoveries about the dangers of religious ritual but finds remedy for these dangers in the importance of personal mystical experience within the context of a believing community Chapters are The Hour has Come Testifying to the Truth Love Gives all Love Conquers all Love One Another Abide in Me as I Abide in You That They May be One Conversion Baptism Eucharist Enlightenment and Eternal Life Demetrius Dumm OSB is a monk of St Vincent's Archabbey Latrobe Pennsylvania A professor of New Testament for almost fifty years he is the author of several books and has given numerous retreats and workshops designed to allow scholarship to bear fruit in the spiritual life of the nonscholar You Are A Wave in the Ocean of God E. Wayne McLaughlin, 2014-07-21 By reading the Gospel of John as a mystical text and hearing the words of Jesus as mystical language we discover an ancient spirituality that is consistent with modern science and helpful for interfaith dialogue In John's Gospel Jesus escapes capture ten times and corrects literal reception of his language eleven times These patterns along with John's emphasis on the inner Presence and the divine desire for Oneness show a mystical approach to faith Embracing Jesus mystical metaphorical language enables one to develop a mystical mindset for living in the 21st century The perception of separateness from God and one another is corrected by this fresh reading of John's Gospel along with the mystics of the Christian tradition as well as other spiritual traditions John, Jesus, and History, Volume 1 Paul N. Anderson, Felix Just, Tom Thatcher, 2007 Over the last two centuries many scholars have considered the Gospel of John off limits for all quests for the historical Jesus That stance however creates a new set of problems that need to be addressed thoughtfully The essays in this book reflecting the ongoing deliberations of an international group of Johannine and Jesus scholars critically assess two primary assumptions of the prevalent view the dehistoricization of John and the de Johannification of Jesus The approaches taken here are diverse including cognitive critical developments of Johannine memory distinctive characteristics of the Johannine witness new historicism Johannine Synoptic relations and fresh analyses of Johannine traditional development In addition to offering state of the art reviews of Johannine studies and Jesus studies this volume draws together an emerging consensus that sees the Gospel of John as an autonomous tradition with its own perspective in dialogue with other traditions Through this challenging of critical and traditional assumptions alike new approaches to John's age old

riddles emerge and the ground is cleared for new and creative ways forward

The Temporal Mechanics of the Fourth Gospel Douglas Estes, 2008-01-01 By redefining narrative temporality in light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship [Fortress Introduction to the Gospels, Second Edition](#)

Spirituality in John's Gospel Gabriel-Mary Fiore, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the

question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality

Becoming God's Beloved in the Company of Friends Mary Margaret Pazdan, 2008-01-01 Becoming God's Beloved in the Company of Friends offers a fresh perspective and invites persons to develop a personal and communal Christian spirituality It offers a way to deepen commitment to live as a disciple of Jesus personally and with others It bridges the gap between a first century biblical text and twenty first century readers who hunger for genuine spirituality today Each chapter focuses on a few stories and a few teachings to illustrate a particular characteristic of becoming a disciple *Truth Revealed* Robert P. Vande Kappelle, 2014-11-10 If the New Testament represents the crown jewels of Christianity the Gospel of John is its pearl of great price the most beloved most read most quoted most distinctive most memorable most debated book in its canon Truth Revealed is ideal for individual and group study It divides the Gospel of John into twelve units providing helpful introductory features summaries learning objectives and questions for each unit and concludes by offering perspective on a specific topic that arises as one follows the narrative always with an eye on the big picture namely guidance for daily living Few sayings attributed to Jesus are better known or more widely quoted than the words You shall know the truth and the truth shall make you free John 8:32 At his trial before Pilate Jesus declared that his purpose in life was to witness to the truth Pilate responds with the Gospel's most memorable question What is truth The answer is explored in Truth Revealed a commentary that provides literary theological historical and textual guidelines for understanding the message of this ancient work in a way that is accessible and applicable to twenty first century readers
