A Northern Youth The Yorkshire Trilogy:

A Northern Youth John Kruse, 2015-08-30 In *A Northern Youth* John Kruse brings together in chronological order his three novels set during his teenage years in his hometown of Barnsley South Yorkshire. The stories are *Feeling Called Love* a romance set in 1975-77 in Barnsley and Dunfermline, *Freak or Smoothy* which follows his career as a schoolboy rock star between 1974 and 1979, and lastly *Rewind and Edit* which is a tale of time travel and growing up after he leaves home for University. All the stories are concerned with issues of growing up, sex and romance and contemporary music. *The Campus Trilogy* David Lodge, 2011-10-04 A trio of dazzling novels in a comic mode that the author has now made completely his own a cause for celebration. The New York Times Book Review David Lodge's three delightfully sophisticated campus novels now gathered together in one volume expose the world of academia at its best and its worst. In *Changing Places* we meet Philip Swallow, British lecturer in English at the University of Rummidge, and the flamboyant American Morris Zapp of Euphoric State University who participate in a professorial exchange program. At the close of the tumultuous sixties, ten years later in *Small World* older but not noticeably wiser they are let loose on the international conference circuit along with a memorable and somewhat oversexed cast of dozens. And in *Nice Work* the leftist feminist Dr Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm, sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy.

The North East of England on Film and Television James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television. It is a response to the way a number of important British films and programmes for example *Get Carter* 1971, *Whatever Happened to the Likely Lads* 1973-74, *Our Friends in the North* 1996 and *Billy Elliot* 2000 have used this particular setting to explore questions of class identity and history. It argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation. These include regional writers working for television in the 1970s, the achievements of the workshop movement in the 1980s and works produced within the genres of documentary, crime drama, comedy, period drama and reality television. The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de-industrialisation. [Book](#)

[One of a Trilogy - A Stitch in Time](#) Ian Davey, 2023-08-18 *A Stitch in Time* Set in the heart of North Yorkshire and incorporating local myths, legends and historical facts, this is the fantasy story of John Twigg, a young man with everything to live for. But despite a loving family and an adoring girlfriend, he makes the fatal error of falling under the spell of a beautiful upper class girl. Unable to sustain his own anguish and unhappiness at his betrayal, he curses himself and is thrown back in time from 1999 to the year 1544 by a force that he cannot possibly comprehend. This first book in a trilogy is the story of his haunted childhood and sets the scene for his later epic struggle to return from the witch-infested late Tudor era where he is torn between two lives and loves in different times in history. Intermixed with the evils of lust, hate and jealousy, John Twigg's
