A Psychological Analysis of Adolph Hitler: His Life and Legend Walter Charles Langer, United States. Office of Strategic Services, 1943

How British Intelligence Plotted to Read Hitler's Mind James Parris, 2021-06-01 In the darkest days of the Second World War as Europe fell under Nazi domination and Britain faced invasion Louis de Wohl a 36 year old refugee from Germany made a curious offer to British Intelligence Based on the widely held belief that Hitler s every action was guided by his horoscope de Wohl claimed he could reveal precisely what advice the Führer s astrologers were giving him Rather than dismissing de Wohl out of hand as a crank senior intelligence officers and chiefs of staff of the three armed services took him at his word De Wohl was made an army captain and quartered in the Grosvenor House Hotel from where his one man Psychological Research Bureau passed astrological readings and assessments to the War Office before his deployment to the

United States by the highly secret Special Operations Executive on a propaganda mission Was it possible that Military and Naval intelligence officers could take the ancient and arcane practice of astrology seriously Was de Wohl genuine or merely a charlatan Did his astrological readings contribute to the downfall of Hitler and Nazi Germany In *How British Intelligence Plotted to Read Hitler's Mind* the first fulllength study of Louis de Wohl James Parris examines the evidence including material from MI5 Military and Naval Intelligence files at the National Archives and reaches remarkable conclusions about this bizarre aspect of the Second World War *A Psychological Analysis of Adolf Hitler* Walter Charles Langer,2012

Reproduces the secret report on Hitler's psychological state written by Langer in 1943 for the U S Office of Strategic Services with the collaboration of Henry A Murr Ernst Kris and Bertram D Lewin with the title *A psychological analysis of Adolph Hitler* It was based on sources compiled by Langer in a companion volume *The Hitler source book* The spelling of Hitler's first name has been changed to Adolf and most German words phrases and quotes have been translated into English

The Hitler Myths Sjoerd J. de Boer,2022-05-05 Adolf Hitler remains one of the most discussed figures in world history Every year an untold number of articles and books are published and television programs and internet pages are produced by respected historians through to amateur conspiracy theorists One of the consequences of this continuous flow of stories is that over time increasing numbers of falsehoods and fabrications have emerged about Hitler Many of these have subsequently gained credence by virtue of their constant repetition however bizarre they may be These include such claims that Hitler was impotent contradicted by another myth that he had an illegitimate son that he had Jewish ancestors or that he had killed his niece Another claim one of the most persistent is that he did not commit suicide but escaped Berlin to live in Argentina for years after the war despite his well recorded failing health What is the truth about his corpse his sexual experiences his years of poverty his complete dominance of his subordinates How much of what we think we know is the result of intentional or misunderstood modern interpretations Many rumours also circulated during Hitler's life and with the passage of time have been presented as facts despite having no substantial foundation Was Hitler really a hero of the First World War and if so why was he not promoted beyond the rank of corporal Was he the true author of *Mein Kampf* and did he write a second book that was never published and was Hitler initially a socialist In *The Hitler Myths* the author clinically dissects many of these myths often in a highly amusing fashion as he exposes the inaccuracies and impossibilities of the stories The myths the familiar and the obscure are discussed chronologically following the course of Hitler's life In his analysis of each of the myths the author draws on an array of sources to prove or disprove the rumours and speculations once and for all *The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum* Thomas Alexander Blüger,2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having

partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history. Not leaving matters here, Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius IX in 1854. This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer. Years later with the emergence of Nazi racial ideology, many anti-Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends. This would not do. Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology. According to that same end, the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization. This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond. This study is phenomenological in nature in that it does not follow Jesus of Nazareth, the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth, the Virgin Mary, a monumental difference. This study supports the Second Vatican Council, the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary, John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations. This study builds upon the author's past article *Following the Virgin Mary through Auschwitz: Marian Dogmatic Theology at the Time of the Shoah* published in *Holocaust Studies: A Journal of Culture and History* Vol 14 winter 2008 No 3 pp 1-24.

American Crisis: The Collapse of Christian Culture William D. Howard, 2024-02-19. All Americans know we are in a state of cultural crisis but how did we get to this point? It has been said if we seek an actual legal date for the fall of Judeo-Christian culture in America it would be June 26, 2015, the day the Supreme Court ruled that homosexual marriage was a constitutionally protected right. But according to William D. Howard, the destruction of our country started well before that when states began changing laws and incorporating changes that had lasting repercussions on the culture as a whole. In *American Crisis: The Collapse of Christian Culture*, Howard takes an in-depth look at civilizations in the past, provides insights on our current culture, and warns of a future that can mean only the destruction of everything we hold dear. But this book is not without hope. Howard uses God's Word to show Christians how we can counter the social and political norms and fight for our country's moral, political, and social outlook. As our moral high ground is being chipped away, one corner at a time, we need to take up the call to action and fight against the powers that seek our demise.
