Hallward, 2011-09-26 Offering diverse perspectives from scholars practitioners and activists this book illustrates the potential strengths and challenges of unarmed resistance in Palestine by Palestinians as well as of internationals and Israelis acting in solidarity *Popular Resistance in Palestine* Mazin B. Qumsiyeh, 2010-11-05 Armed resistance suicide bombings and rocket attacks populate the Western media's depiction of Palestinian resistance Synthesising data from hundreds of original sources Dr Mazin Qumsiyeh provides the most comprehensive study of the always creative often peaceful civil resistance in Palestine Successes failures missed opportunities and challenges are chronicled through hundreds of stories from over 100 years of Palestinian resistance The book critically and comparatively surveys uprisings under Ottoman rule against the Balfour Declaration and the Oslo Accords all the way up to the Boycotts Divestments and Sanctions movement The compelling human stories told in this book will inspire people of all faiths and political backgrounds to chart a better and more informed direction for a future of peace with justice **Palestinian Women and Popular Resistance** Liyana Kayali, 2020-11-09 This book explores Palestinian women's views of popular resistance in the West Bank and examines factors shaping the nature and extent of their involvement Despite the signing of the Oslo peace accords in 1993 and 1995 the Occupied Palestinian Territories in the contemporary period have experienced tightened Israeli occupational control and worsening political humanitarian security and economic conditions Based on ethnographic fieldwork conducted with women in the West Bank this book looks at how Palestinian women in the post Oslo period perceive negotiate and enact resistance It demonstrates that far from being apathetic as some observers have charged Palestinian women remain deeply committed to the goals of national liberation and wish to contribute to an effective popular resistance movement Yet many Palestinian women feel alienated from prevailing forms of collective popular resistance in the OPT due to the low levels of legitimacy they accord them This alienation has been made stark by the gendered and intersecting impacts of expanding settler colonialism tightening spatial control a professionalised and depoliticised civil society reinforced patriarchal constraints Israeli and Palestinian Authority PA repression and violence and a deteriorating economy all of which have raised the barriers Palestinian women face to active participation Undertaking a gendered analysis of conflict and resistance this volume highlights significant changes over the course of a long running resistance movement Readers interested in gender and women's studies the Arab Israel conflict and Middle East politics will find the study beneficial *Resisting Under Occupation. A Palestinian - Uyghur Comparison* Daniel James Schuster, 2017-08 This comparative study of the resistance behavior between the Palestinians and Chinese Uyghurs delineates the commonalities of the two case studies in terms of circumstances and resistance behavior while creating its research puzzle from their differences of the latter The research

question asks what explains the variation in resistance behavior between the two groups given their similarities The study analyses the commonalities and differences of resistance behavior with regards to a resistance spectrum starting with frames How is the conflict framed continuing with an investigation of the non violent forms of action based resistance poetry songs protests etc concluding with an analysis of the violent forms of resistance The study relies upon four different theories in its hypotheses development in order to test different variables for explaining the research puzzle *The Princeton Encyclopedia of Islamic Political Thought* Gerhard Bowering, Patricia Crone, Mahan Mirza, 2013 In 2012 the year 1433 of the Muslim calendar the Islamic population throughout the world was estimated at approximately a billion and a half representing about one fifth of humanity In geographical terms Islam occupies the center of the world stretching like a big belt across the globe from east to west P vii

Understanding Nonviolence Maia Carter Hallward, Julie M. Norman, 2015-09-15 The use of nonviolent action is on the rise From the Occupy Movement to the Arab Spring and mass protests on the streets of Brazil activists across the world are increasingly using unarmed tactics to challenge oppressive corrupt and unjust systems But what exactly do we mean by nonviolence How is it deployed and to what effect Do nonviolent campaigns with political motivations differ from those driven by primarily economic concerns What are the limits and opportunities for activists engaging in nonviolent action today Is the growing number of nonviolence protests indicative of a new type of twenty first century struggle or is it simply a passing trend Understanding Nonviolence Contours and Contexts is the first book to offer a comprehensive introduction to nonviolence in theory and practice Combining insightful analysis of key theoretical debates with fresh perspectives on contemporary and historical case studies it explores the varied approaches aims and trajectories of nonviolent campaigns from Gandhi to the present day With cutting edge contributions from leading scholars and practitioners in the field this accessible and lively book will be essential reading for activists students and teachers of contentious politics international security and peace and conflict studies

A Palestinian Christian Cry for Reconciliation Naim Stifan Ateek, 2008 From the text The background is clear Jerusalem has been conquered and re conquered more than 37 times The latest conquest in 1967 was by the Israeli army After the war Israel took in not only the 5 square kilometers of Arab East Jerusalem but also 65 square kilometers of surrounding open country and villages most of which never had any municipal link to Jerusalem Overnight they became part of Israel s eternal and indivisible capital The history of Jerusalem has been written with blood The first part of this sequel to Justice and Only Justice focuses on events since the Intifada of 1987 including the violence that has come from Israel s aggression and from the use of suicide bombers by Palestinians The second part of the book draws on scripture lifting up biblical figures such as Samson Jonah Daniel and Jesus as it examines issues of ownership of the land In the final section Ateek presents a strategy to achieve peace and justice nonviolently that will promote justice for the Palestinians and security for both Israel and Palestine BOOK JACKET

The Politics of Change in Palestine Michael Bröning, 2011-03-04 This book contradicts the dominant myth that incompetent

corrupt and uncompromising Palestinian decision makers are responsible for the lasting stalemate in the Middle East Peace Process It highlights recent political developments in Palestine that fundamentally redefine important parameters of the Israeli Palestinian conflict Contrary to public perception new political trends in the Palestinian Territories bolster prospects for the realisation of Palestinian national aspirations Michael Broning identifies key indicators which fundamentally question dominant Israeli narratives and pose an unprecedented strategic challenge to the Israeli leadership These include the reinvention of Hamas the reform of the Fatah movement Palestinian Prime Minister Salam Fayyad s state building efforts and the surge of non violent resistance against Israel This persuasive book forces us to reconsider the perceived wisdom that the Palestinians are powerless to influence events as they struggle for peace Digital Jihad Erik Skare,2016-10-15 A new and innovative form of dissent has emerged in response to the Israeli occupation of Palestine Dubbed electronic jihad this approach has seen organized groups of Palestinian hackers make international headlines by breaching the security of such sites as the Tel Aviv Stock Exchange AVG Avira Whatsapp and BitDefender Though initially confined to small clandestine groups hacktivism is now increasingly being adopted by militant Palestinian parties including Hamas and Palestinian Islamic Jihad who have gone so far as to incorporate hackers into their armed brigades Digital Jihad is the first book to explore this rapidly evolving and still little understood aspect of the Palestinian resistance movement Drawing on extensive interviews with hackers and other activists it provides a unique and fascinating new perspective on the Palestinian struggle
