Fennell,Michael Bourgeois,2019-02-14 The United Church of Canada has a rich and complex history of theological development This volume written for the general reader as well as students and scholars provides a comprehensive overview of that development together with an analysis of this unique denomination s core statements of faith and its contemporary theological landscape When the Methodist Congregational and Local Union Churches in Canada as well as most of the Presbyterians came together as The United Church of Canada the theological commonalities between them were significant Over the succeeding decades this made in Canada denomination has continued to define its convictions through consensus building and large scale studies This volume written by leading scholars outlines key faith perspectives in areas such as creation the Trinity Jesus Christ the Holy Spirit the Bible sin mission and sacraments No book like this has appeared in over seventy years and readers will find insight here that is unparalleled in its scope In creative tension with each individual member s freedom of conscience the United Church as a whole has continued to express its commonly held faith in dialogue continuity and critical interaction with the faith of the worldwide historic Christian community *Claiming God* Christine Helmer,Shannon Craigo-Snell,2022-11-09 Marilyn McCord Adams 1943 2017 was a world renowned philosopher a theologian who forever changed conversations about God and evil a compelling preacher and a fierce advocate for the full belonging of LGBTQ people especially in churches Over the course of her career she mentored philosophers theologians pastors and activists In this book authors from each of these fields engage and expand upon McCord Adams s work Chapters address theodicy and the Holocaust the nature and limits of human free will sexual violence Trinitarian relations beatific vision friendship climate change and how to protest heterosexism with truth humor and cookies Examples of McCord Adams s revised Episcopal liturgies previously unpublished are used to affirm the expansive love of God Accessible and varied these essays attest to McCord Adams s vocational integration as she claimed and proclaimed God s goodness in her different professional roles **People's Journey with God Iv' 2007 Ed. (responding to God's Call for**

Love,justice & Solidarity) , **Recovering Communion in a Violent World Christopher Grundy,2019-11-15** The act of breaking and eating a body in Holy Communion forms us over time What if that s not such a good thing Recovering Communion in a Violent World provides an unblinking examination of the ritualized reenactment of the violence done to Jesus in Holy Communion using insights from the fields of ritual studies and trauma theory Then drawing upon recent research in Christian origins the book raises possibilities for sacramental meal practices that don t ignore the death of Jesus but respond to it differently Rather than colluding with systems of violence these alternative practices respond to violence in our world by continuing to collaborate with the persistence and resilience of God as well as with the realm of God still coming near The result is a groundbreaking exploration that is both unflinching in its critique and passionate in its argument for the place of renewed Christian meal practices In an era when world religions have come under greater scrutiny as sources of violence this book asks readers to look squarely at the reenactment of violence that has come to narrowly define Holy Communion for so long and to imagine that more radical resistant sacramental meal practices are possible **Bread for the Journey** Ruth C. Duck,2009-08-13 Bread for the Journey is a rich collection of resources for contemporary worship services Written by men and women from various faith communities these resources emphasize worship as part of an ever evolving journey toward God Among the resources included are resources for baptism and communion confirmation and funerals liturgical year prayers and litanies UCC Statement of Faith resources and Responsive Psalms Bread for the Journey employs inclusive language and invites a perspective on worship that grows out of our life stories and journeys **Hymns of the United Church** Charles Clayton Morrison,Herbert Lockwood Willett,1919 **A Christian Response to the New Genetics** David H. Smith,Cynthia B. Cohen,2003 Life is a gift that includes powers to be used and celebrated but that doesn t necessarily justify the use of every new power that comes along This volume appeals to both secular and religious readers in the centre of the great debate over our new genetic powers These essays affirm many traditional Christian perspectives and virtues while also introducing new insights transfer genetic manipulation patenting health insurance and the moral status of embryos They conclude that it is naive to either to reject outright or wholeheartedly embrace the new genetic powers In fact sometimes the best we can expect is to learn how to cope with moral uncertainty *The Choral Service of the United Church of England and Ireland* John Jebb,1843 *The Underground Church* Kathleen Kautzer,2012-03-02 Since the 1970s liberal American Catholics have sustained a Reform Movement to counteract the conservative drift of the Vatican and to preserve and expand on the reforms of Vatican II This book draws on a range of theory to analyze and interpret this movement which is intent on creating a model of church that examples Vatican II s open receptive attitude toward the modern world In response to backlash from church officials the movement has increasingly abandoned effort to reform Roman Catholicism from within and has moved in a sectarian direction by creating independent worship communities The movement faces a precarious future due to its rapidly aging membership and the unstable nature of its newly formed

communities
