A Park Ranger's Life Thirty Two Years Protecting Our National Parks:

A Park Ranger's Life Bruce W. Bytnar, 2009 What is a park ranger's life A wild bear who favors Kentucky Fried Chicken A fugitive wanted in eight states A dog that saves his owner's life Wildland firefighters battling nature and fire A ghost haunting a colonial mansion Hikers who stay lost because they think searchers calling their names are wild animals Being willing to risk your life to make our parks safe and help preserve them for the future These are just a few experiences you will read about in *A Park Ranger's Life* Drawn from the thirty two year career of National Park Ranger Bruce W Bytnar you will discover what it takes to be a park ranger what threats to visitors and resources they deal with on a daily basis and what you can do to help protect and preserve our national heritage

Peoples of a Sonoran Desert Oasis Jared Orsi, 2023-10-17 In the southwestern corner of Organ Pipe Cactus National Monument on the border between Arizona and Mexico one finds Quitobaquito the second largest oasis in the Sonoran Desert There with some effort one might also find remnants of once thriving O odham communities and their predecessors with roots reaching back at least 12 000 years along with evidence of their expulsion the erasure of their past attempts to recover that history and the role of the National Park Service NPS at every layer The outlines of the lost landscapes of Quitobaquito now further threatened by the looming border wall reemerge in *Peoples of a Sonoran Desert Oasis* as Jared Orsi tells the story of the land its inhabitants ancient and recent and the efforts of the NPS to reclaim Quitobaquito's pristine natural form and to reverse the damage done to the O odham community and culture first by colonial incursions and then by proponents of preservation Quitobaquito is ecologically and culturally rich and this book summons both the natural and human history of this unique place to describe how people have made use of the land for some five hundred generations subject to the shifting forces of subsistence and commerce tradition and progress cultural and biological preservation Throughout Orsi details the processes by which the NPS obliterated those cultural landscapes and then subsequently as America began to reckon with its colonial legacy worked with O odham peoples to restore their rightful heritage Tracing the building and erasing of past landscapes to make some of them more visible in the present *Peoples of a Sonoran Desert Oasis* reveals how colonial legacies became embedded in national parks and points to the possibility that such legacies might be undone and those lost landscapes remade

photographs draw in the reader Suicide as a Dramatic Performance David Lester,2017-07-05 Each suicide is as unique as the individuals involved especially if one examines the nature of the act and to what extent these acts can be viewed as a theatrical performance Focusing on the dramatic aspects of suicide may seem tangential to the physical and mental pain experienced by those who try to kill themselves but dramatic aspects often provide important clues for understanding the mental state of suicidal individuals David Lester and Steven Stack investigate what happens in the weeks days and hours before a suicide when the suicidal individual must make decisions and formulate the script for his or her suicidal act The editors argue that these choices may help us understand and prevent other suicides and stimulate new and innovative research in this important area Through twenty five substantive chapters including both quantitative and qualitative analyses this book offers insights into suicide as a dramatic act with chapters on the intended audience the suicide note the location and method chosen and cultural scripts including suicide by cop sati seppuku and duels The contributors to this volume argue that psychological social and cultural factors influence these choices and that the decisions made by the individual are important for understanding the mental state of the person choosing to die by suicide , *Send a Ranger* Tom

Habecker,2023-03-01 *Send a Ranger* is the true story of one man's dream to live and work as a ranger in our national parks Author Tom Habecker began his 32 year career with the National Park Service as a student intern at Gettysburg National Military Park while earning a degree in park administration at Penn State University The book details Tom's progression from novice to journeyman park ranger working in Yosemite Glacier and Denali National Parks The book is full of exciting adventures including search and rescue incidents criminal investigations grizzly bear maulings backcountry horse patrols darting and trapping problem bears providing advanced emergency medical care fire fighting winter survival flying in aircraft in mountainous terrain living in the Alaska wilderness and much more These accounts are enhanced by verbatim entries from Tom's daily journals Written in an informal and sometimes humorous style the book details the evolution of training technology and skills that today's park rangers must have to perform their challenging job The book also describes the challenges and rewards of living and raising children in national parks Follow Tom's children as they grow up in places most people only dream about You will learn what it's like living in a house that receives over 250 of snow annually cutting

six cords of wood for heat residing in a remote one room cabin and driving 130 miles one way to town in the harsh Alaska winter Living in a national park offers experiences like no other Peek behind the scenes and experience the daily life of a national park ranger and his family *National Parks* ,2000-01 The flagship publication of the National Parks Conservation Association National Parks Magazine circ 340 000 fosters an appreciation of the natural and historic treasures found in the national parks educates readers about the need to preserve those resources and illustrates how member contributions drive our organization s park protection efforts National Parks Magazine uses images and language to convey our country s history and natural landscapes from Acadia to Zion from Denali to the Everglades and the 387 other park units in between
