

A PASSIONATE SISTERHOOD

The sisters, wives and daughters
of the Lake Poets

KATHLEEN JONES

A Passionate Sisterhood The Sisters Wives And Daughters Of The Lake Poets

Lorraine Fletcher

A Passionate Sisterhood The Sisters Wives And Daughters Of The Lake Poets:

A Passionate Sisterhood Kathleen Jones, 1997 The Lake Poets Wordsworth Coleridge and Southey have become a literary myth and we are used to looking at the Lake District landscape through its romantic prism But for their wives sisters and daughters the view was very different **The Literary Protégées of the Lake Poets** Mr Dennis Low, 2013-04-28 Dennis Low's re-evaluation of the Lake Poets as mentors begins with the controversial premise that Robert Southey was one of the nineteenth century's greatest champions of women's writing Together with Wordsworth and Coleridge Low argues Southey tried to end what he perceived to be the cultural decline of literature by nurturing the creative talents of many exceptional women writers Drawing on 3 000 unpublished manuscripts in England Scotland and the United States Low examines the lives and works of four of the Lake Poets literary protégées Caroline Bowles Maria Gowen Brooks Sara Coleridge and Maria Jane Jewsbury Though diverse in terms of their literary production these women were united in their defiant efforts to write against an increasingly stagnant cultural milieu and their negotiation wholeheartedly encouraged by their mentors of contemporary publishing mores This scrupulously researched book is a valuable contribution to the study of little known women writers and to our understanding of the literary and publishing environment of Britain in the 1820s and 1830s

Michèle Roberts Sarah Falcus, 2007 This book provides an accessible and yet thorough analysis of the work of Michèle Roberts a prolific half English and half French writer who can claim both literary and popular appeal Roberts's work is examined alongside contemporary feminist theory particularly the work of Luce Irigaray and feminist philosophers of religion The book traces the development of Roberts's work from its origins in the feminist movement of the seventies through its engagement with the philosophy of religion and its interest in historiography to the postmodern playfulness of her latest work At the same time the book does acknowledge enduring concerns in her oeuvre particularly the fascination with the mother daughter relationship and the desire to engage with and rewrite both history and myth The book offers detailed readings of Roberts's novels together with a selection of her short stories and poetry *William Wordsworth* Stephen Gill, 2020-04-08 In this second edition of *William Wordsworth A Life* Stephen Gill draws on knowledge of the poet's creative practices and his reputation and influence in his life time and beyond Refusing to treat the poet's later years as of little interest this biography presents a narrative of the whole of Wordsworth's long life 1770 to 1850 tracing the development from the adventurous youth who alone of the great Romantic poets saw life in revolutionary France to the old man who became Queen Victoria's Poet Laureate The various phases of Wordsworth's life are explored with a not uncritical sympathy the narrative brings out the courage he and his wife and family were called upon to show as they crafted the life they wanted to lead While the emphasis is on Wordsworth the writer the personal relationships that nourished his creativity are fully treated as are the historical circumstances that affected the production of his poetry Wordsworth it is widely believed valued poetic spontaneity He did but he also took pains over every detail of the process of publication The foundation of this second

edition of the biography remains as it was of the first a conviction that Wordsworth's poetry which has given pleasure and comfort to generations of readers in the past will continue to do so in the years to come **Sara Coleridge J.**

Barbeau, 2014-06-18 Known as the daughter of Samuel Taylor Coleridge Sara Coleridge's manuscripts letters and other writings reveal an original thinker in dialogue with major literary and cultural figures of nineteenth century England Here her writings on beauty education and faith uncover aspects of Romantic and Victorian literature philosophy and theology

Charlotte Smith Loraine Fletcher, 1998-06-22 Sold a legal prostitute when married off at the age of fifteen Charlotte Smith left her wastrel husband to support herself and their children as a poet and novelist who would have a lasting influence on William Wordsworth and Jane Austen Combative and witty she became a radical controversial and very popular author at a time when the French Revolution was raising high hopes of Reform she argued for change in England too Loraine Fletcher's vivid scholarly biography is as readable for the newcomer to the 1790s as for the specialist tracing the embattled life in the wonderfully self-dramatising fiction *Early British Poetry: "Words That Burn"* Paula Johanson, 2010-01-01 Examines early British poetry from the 7th century into the 19th century including short biographies of poets like William Shakespeare and John Donne also examples of poems poetic techniques and explication Provided by publisher

The Collected Letters of Sir George and Lady Beaumont to the Wordsworth Family, 1803-1829 Jessica Fay, 2021 This edition presents and fully contextualizes an archive of letters that reveal the creative and personal significance of the friendship between William Wordsworth and Sir George Beaumont Spanning twenty six years this inter-familial correspondence comprises discussion of literature and painting gardening and theatre politics and religion grief hope and aspiration *Radical Contra-Diction* Björn Bosserhoff, 2016-05-11 Samuel Taylor Coleridge is chiefly remembered as the Romantic poet who wrote *The Ancient Mariner* and *Kubla Khan* as Wordsworth's collaborator on the *Lyrical Ballads* as the myriad-minded philosopher who introduced his countrymen to the thought of Kant as one of the foremost critics of Shakespeare and as a supremely gifted conversationalist who put a spell on any visitor to his Highgate home In his own day however Coleridge was most notorious for his political apostasy With the Revolution across the Channel once celebrated as the harbinger of a new age deteriorating into the *terreur* and the Pitt ministry desperately trying to contain revolutionary activities on British soil public intellectuals were compelled to take sides As it turned out the choices they made during the 1790s would haunt them well into the 1810s This first book-length study of Coleridge's reactions to the French Revolution examines his trajectory from radical to conservative and challenges the very notion that these labels can be applied to him Particular focus is given to the part his friend Robert Southey played in Coleridge's political coming of age as well as to William Hazlitt's role as his relentless prosecutor in later life As such the book offers an accessible portrayal of the first generation Romantics and their political sensibilities

Radical Wordsworth Jonathan Bate, 2020-04-28 On the 250th anniversary of Wordsworth's birth comes a highly imaginative and vivid portrait of a revolutionary poet who embodied the spirit of his age Published in time for the 250th

anniversary of William Wordsworth's birth this is the biography of a great poetic genius a revolutionary who changed the world Wordsworth rejoiced in the French Revolution and played a central role in the cultural upheaval that we call the Romantic Revolution He and his fellow Romantics changed forever the way we think about childhood the sense of the self our connection to the natural environment and the purpose of poetry But his was also a revolutionary life in the old sense of the word insofar as his art was of memory the return of the past the circling back to childhood and youth This beautifully written biography is purposefully fragmentary momentary and selective opening up what Wordsworth called the hiding places of my power

Delve into the emotional tapestry woven by Emotional Journey with in Experience **A Passionate Sisterhood The Sisters Wives And Daughters Of The Lake Poets** .
