thought provoking for many occultists as well as for many Christians his spectrum is broad and his criticisms carefully considered He also provides a lucid overview of the Tree of Life which makes the book an incredibly valuable introduction to the Qabalah especially as a guide for aspiring Christian Qabalists Originally published in 1969 this book came about through Anthony Duncan s friendship with occultist Gareth Knight and directly inspired Knight s major work Experience of the Inner Worlds Now at least one clergyman has got the point and in this book urges his fellow Christians not to dismiss occultism either as a cranky fad or as a black art The Guardian
