A Moment Of Light Multidimensional Poetry:

A Moment of Light Richie Richards, 2015-05-16 I recently started reading this book of poems entitled A Moment of Light and once I started I could not put it down From the first page I felt an immediate feeling of calmness and a relief of tension The author Richie Landon Richards has managed to capture his experiences and to word it in a way which mirrors and explains one's own thoughts about the matter at hand In this fantastic artwork Richie has the rare ability of expressing spiritual experiences in such a way that people like us can relate to it and find common grounds with it But in addition to that he also possesses the necessary wisdom with which to speak authoritatively and give confident explanations to the experiences we have in life Amid all the wisdom included in this work one also discovers simplicity and straightforwardness Richie pens his poetry in such a way as to appeal to readers of every age and background And at the same time I also find his work comprehensive and complete He covers several areas of everyday experiences definitely some that you might find resonance with Amongst others he addresses the feeling of isolation and depression and our great task of shining our light where we are Each of these life experiences demand deep thinking and emotional feelings and all can easily remain unexplained if not addressed by someone that knows life inside out I strongly recommend Richie's poems It will be a great addition to your collection and an excellent read during your quiet time of rest Join Richie as he takes you on a journey through life and its experiences and you will surely emerge more knowledgeable more satisfied and therefore more at rest about the personal experiences you face
