A New History Of The Peloponnesian War

Donald Kagan

A New History Of The Peloponnesian War:

A New History of the Peloponnesian War, 2009-10-27 This stimulating new study provides a narrative of the monumental conflict of the Peloponnesian War between Athens and Sparta and examines the realities of the war and its effects on the average Athenian. A penetrating new study of the Peloponnesian War between Athens and Sparta by an established scholar. Offers an original interpretation of how and why the war began. Weaves in the contemporary evidence of Aristophanes in order to give readers a new sense of how the war affected the individual. Discusses the practicalities and realities of the war. Examines the blossoming of culture and intellectual achievement in Athens despite the war. Challenges the approach of Thucydides in his account of the war.

A New History of the Peloponnesian War Donald Kagan, 1969 [A New History of the Peloponnesian War](#) Donald Kagan, 2013-01-14 A New History of the Peloponnesian War is an ebook only omnibus edition that includes all four volumes of Donald Kagan's acclaimed account of the war between Athens and Sparta 431-404 B.C. The Outbreak of the Peloponnesian War The Archidamian War The Peace of Nicias and the Sicilian Expedition and The Fall of the Athenian Empire. Reviewing the four volume set in The New Yorker George Steiner wrote The temptation to acclaim Kagan's four volumes as the foremost work of history produced in North America in the twentieth century is vivid. Here is an achievement that not only honors the criteria of dispassion and of unstinting scruple which mark the best of modern historicism but honors its readers. All four volumes are also sold separately as both print books and ebooks.

The Fall of the Athenian Empire Donald Kagan, 1987 An overview of history in ancient Athens beginning with the ill-fated Sicilian expedition of 413 B.C. and ends with the surrender of Athens to Sparta in 404 B.C.

[The Peloponnesian War](#) Thucydides, 1982 Thucydides History of the Peloponnesian War is widely considered to be the definitive ancient treatment of the period it covers. The work summarizes events from the years leading up to the war, the Pentecontaetia, and gives an in-depth treatment from the late 430s B.C. to 411 B.C. where it ends in midsentence.

The Peloponnesian War Donald Kagan, 2004-04-27 For three decades in the fifth century B.C. the ancient world was torn apart by a conflict that was as dramatic, divisive and destructive as the world wars of the twentieth century. The Peloponnesian War. Donald Kagan, one of the world's most respected classical political and military historians, here presents a new account of this vicious war of Greek against Greek, Athenian against Spartan. The Peloponnesian War is a magisterial work of history written for general readers, offering a fresh examination of a pivotal moment in Western civilization. With a lively, readable narrative that conveys a richly detailed portrait of a vanished world while honoring its timeless relevance, The Peloponnesian War is a chronicle of the rise and fall of a great empire and of a dark time whose lessons still resonate today.

Enduring Controversies in Military History Spencer C. Tucker, 2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events. Why did Alexander the Great's empire fall apart so soon after his death? How did France win the

Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates

The Cambridge History of Greek and Roman Warfare Philip Sabin,Hans van Wees,Michael Whitby,2007-12-06 First volume of a systematic and up to date account of warfare from Archaic Greece to Republican Rome *Short Course and Seminar on Ground Improvement* ; 2 ,1990

The Peace of Nicias and the Sicilian Expedition Donald Kagan,2013-01-16 Why did the Peace of Nicias fail to reconcile Athens and Sparta In the third volume of his landmark four volume history of the Peloponnesian War Donald Kagan examines the years between the signing of the peace treaty and the destruction of the Athenian expedition to Sicily in 413 B C The principal figure in the narrative is the Athenian politician and general Nicias whose policies shaped the treaty and whose military strategies played a major role in the attack against Sicily
