Teaching Kids to Love Learning, Not Just Endure It Michael Connolly, 2011-05-16 With so much emphasis these days on making students globally competitive and prepared to beat students of other nations on international assessments and with so much talk about academic rigor and emphasis on rigid accountability measures we are in danger of losing sight of the most fundamental element of successful teaching and learning love *Teaching Kids to Love Learning Not Just Endure It* makes the case that if we really want no child left behind we must return to the solid foundation on which successful teaching and learning has always rested the love of teacher for her students and they for her and the passion of the teacher for her discipline and her desire to share that passion with her students

Learn To Love Yourself Again Allen Dekeyser, *Learn To Love Yourself Again* is a deeply honest emotionally healing journey back to the heart of who you are In this beautifully

written and illustrated self help memoir Allen Dekeyser shares the quiet truths and powerful awakenings that helped him stop chasing validation release shame and finally return home to himself Through 20 powerful chapters each paired with affirmations journal prompts and full page artwork you ll walk alongside a voice that s been in the valley and found a way out Whether you re healing from trauma recovering from self neglect or learning to finally choose yourself this book offers more than inspiration it offers proof that loving yourself again is not only possible it s necessary You re not too much You re not too late You re not alone **"Marry for Money, You'll Learn to Love Later!"** Roger J. Geronimo,2006-05-25 This is the incredibly interesting story which describes the unbelievable mistakes we make in life how we cope with them into the future and what are the lessons learned from this thing called life The story is mixed with a sense of sarcastic humor but always stressing the benefits of humor It is also a story of hope and encouragement as the author fights a battle that his dad his hero lost to Parkinson s disease Heres the Forward What is life really all about Why are we here Is there any purpose to our existence These are questions that have been asked over and over again for centuries and centuries Well I believe I have found the answer now that I am totally broke and deteriorating thanks to Parkinsons disease Gee thanks guys The sarcastic sense of humor in me concludes the following about our existence here on planet earth LIFE IS A BITCH THAN YOU MARRY ONE TWO IN MY CASE AND THEN YOU DIE Guess Im just waiting for the arrival of the Grim Reaper himself However the real me has slowly discovered that we are all on a journey here on earth The journey is intended not to be an easy one It is intended for us to learn from the decisions we make using our free will There is much pain suffering disappointment hurt anger and sorrow And hopefully forgiveness There is no hell I believe You are living it everyday the good and the bad A lot more bad than good What is it all for It is for all of us to learn and to grow as human creatures and to eventually flourish in a place where we will discover peace love harmony Where In the hereafter In that warmth of the Light we hear so much about from people returning from the dead In my mind that Light is better known as God That is our eventual reward for everything that is tossed our way here on earth If we learn our lessons well here than we shall be that much closer to the warmth of the Light in the hereafter If we learn little and cause much pain and anguish to others than we shall be the farthest from the Light but always given opportunities to proceed forward We do this by realizing our indiscretions and asking for forgiveness for our actions on earth when arriving in the hereafter and then performing duties and working toward the Light Boy do I hope I am right about this Believe it or not I actually look forward to being greeted someday by my loved ones and all the pets in the hereafter I got along better with my pets than with some of my crazy relatives and friends So in the chapters that follow I will allow you to make your own judgments As you read on and we share the good times and the pitiful times always with a sense of humor I hope I will honestly try to elaborate on the Lessons Learned from this journey that has been all too short Perhaps through me you can make adjustments and just perhaps not do the same stupid things that I have done so many times in the last half century Integrative Body-Mind-Spirit Social Work Mo Yee Lee,2009-03-25 In recent years

interest in non Western curative techniques among Americans has grown by leaps and bounds Integrative Body Mind Spirit Social Work is the first book to strongly connect Western therapeutic techniques with Eastern philosophy and practices while also providing a comprehensive and pragmatic agenda for social work and mental health professionals This breakthrough text written by a cast of highly regarded researchers from both Asia and America presents a holistic therapeutic approach that ties Eastern philosophy and practical techniques to Western forms of therapy in order to help bring about positive transformative changes in individuals and families Integrative therapy focuses on the mind body spirit relationship recognizes spirituality as a fundamental domain of human existence acknowledges and utilizes the mind s power as well as the body s and reaches beyond self actualization or symptom reduction to broaden a perception of self that connects individuals to a larger sense of themselves and to their communities Here the authors provide a pragmatic step by step description of assessment and treatment techniques that employ an integrative holistic perspective They begin by establishing the conceptual framework of integrative body mind spirit social work then expertly describe step by step assessment and treatment techniques that utilize integrative and holistic perspectives Several case studies demonstrate the approach in action such as one with breast cancer patients who participated in body mind spirit and social support groups and another in which trauma survivors used meditation to get onto a path of healing These examples provide solid empirical evidence that integrative body mind spirit social work is indeed a practical therapeutic approach in bringing about tangible changes in clients The authors also discuss ethical issues and give tips for learning integrative body mind spirit social work Professionals in social work psychology counseling and nursing as well as graduate students in courses on integral alternative or complementary clinical practice will find this a much needed resource that complements the growing interest in alternatives to traditional Western psychotherapy
