Atonement The Person And Work Of Christ:

Atonement Thomas F. Torrance, 2025-09-30 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978. Like the first volume, the original lecture material has been expertly edited by Robert Walker, complete with cross-reference to Torrance's other works. Readers will find this the most readable work of Torrance and together with *Incarnation* the closest to a systematic theology we have from this eminent theologian.

Atonement Thomas F. Torrance, 2009 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978.

Incarnation Thomas F. Torrance, 2025-08-04 The late Thomas F. Torrance has been called the greatest Reformed theologian since Karl Barth and the greatest British theologian of the twentieth century by prominent voices in the academy. His work has profoundly shaped contemporary theology in the English-speaking world. This first of two volumes comprises Thomas Torrance's lectures delivered to students in Christian Dogmatics on Christology at New College Edinburgh from 1952 to 1978 and amounts to the most comprehensive presentation of Torrance's understanding of the incarnation ever published. In eight chapters, these expertly edited lectures highlight Torrance's distinctive belief that the object of our theological study, Jesus Christ, actively gives himself to us in order that we may know him. They also unpack Torrance's well-developed understanding of our union with Christ and how it impacts the Christian life as well as his reflections on the breaking of Christ's kingdom and its intense conflict with and victory over evil. Decidedly readable and filled with some of Torrance's most influential thought, this will be an important volume for scholars, professors, and students of Christian theology for decades to come.

Approaching the Atonement Oliver D. Crisp, 2020-02-11 Theologian Oliver Crisp explores the meaning of the cross and the various ways that the death of Jesus has been interpreted in the church's history, from ransom theory in the early church to penal substitutionary theory to more recent feminist critiques. What emerges is a more complex, expansive, and fruitful understanding of the atonement and its significance for the Christian faith today.

Supralapsarian Christology and the Progressive Work of Christ Thomas G. Doughty Jr., 2024-08-06 In *Supralapsarian Christology and the Progressive Work of Christ*, Christus Dominus Thomas G. Doughty Jr. produces a fresh theological narrative presenting the work of Christ progressively. Through both biblical and systematic theological lenses, Christus Dominus explains how the incarnate Son of God accomplishes multiple benefits for humanity and the cosmos. This model articulates a supralapsarian motivation for the incarnation of divine-human co-dominion but also accounts for the infralapsarian motivation of atonement for human sin. In doing so, Christus Dominus demonstrates that supralapsarian Christology is compatible with objective approaches to atonement, showing also how penal substitutionary atonement fits

within the more holistic motif of Christus Victor This book addresses weaknesses in infralapsarian Christologies which deem the incarnation primarily contingent on the human fall into sin By exploring God's creation intentions and his faithfulness to realize those intentions in the incarnate Christ through eschatological promises Christus Dominus encapsulates the biblical revelation relating the work of Christ to humanity's progressive vocation Then by drawing on the strengths of recent work of Christ frameworks the author systematically arranges an objective atonement model within that progressive work of Christ Christus Dominus thus upholds the unique necessity of the crucifixion within a supralapsarian Christology as the incarnate Christ's work progressively unfolds

The Word Enfleshed Oliver D. Crisp, 2016-09-20 A Fresh Theological Account of the Person and Work of Christ The literature on Christology is large and ever expanding The same is true for work on the atonement which has blossomed in the last decade Few studies attempt to connect the dots between these two theological topics however In this volume respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ focusing on the theme of union with God Incarnate Along the way he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions Wide ranging and carefully argued this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology
