Johnson, Richard L. Johnson, 1993-10 **De ira** Lucius Annaeus Seneca, 2019-02-19 Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca In his essay On Anger De Ira the Roman Stoic thinker Seneca c 4 BC 65 AD argues that anger is the most destructive passion No plague has cost the human race more dear This was proved by his own life which he barely preserved under one wrathful emperor Caligula and lost under a second Nero This splendid new translation of essential selections from On Anger presented with an enlightening introduction and the original Latin on facing pages offers readers a timeless guide to avoiding and managing anger It vividly illustrates why the emotion is so dangerous and why controlling it would bring vast benefits to individuals and society Drawing on his great arsenal of rhetoric including historical examples especially from Caligula s horrific reign anecdotes quips and soaring flights of eloquence Seneca builds his case against anger with mounting intensity Like a fire and brimstone preacher he paints a grim picture of the moral perils to which anger exposes us tracing nearly all the world s evils to this one toxic source But he then uplifts us with a beatific vision of the alternate path a path of forgiveness and compassion that resonates with Christian and Buddhist ethics Seneca s thoughts on anger have never been more relevant than today when uncivil discourse has increasingly infected public debate Whether seeking personal growth or political renewal readers will find in Seneca s wisdom a valuable antidote to the ills of an angry age Anger Management

Essentials Anita Avedian, Anita Avedian Lmft, 2014-12-26 Anger Management Essentials is a workbook to help people with anger issues to manage their aggressive behavior While anger is a normal emotion aggressive behavior is what we really want to manage since it is often emotionally or physically harmful Why do we call it an anger management program and not aggressive management We do so because people know to look for anger management since the phrase has become widely recognized in our culture Though the material in this book is best used with a certified anger management counselor most of the worksheets are self explanatory and thus could be used as a self help workbook Many people have the misperception that an anger management program is for very angry people ones who punch holes through walls or break items and get into fits of rage What may come as a surprise however is that anger management is helpful for many people since we all experience moments of irritability and frustration Additionally anger management includes effective communication and active listening skills both which can be used in every day life The author Anita Avedian Licensed Marriage and Family Therapist had a vision to design an anger management program that could be customized for every reader focusing primarily on the areas where improvement in dealing with anger is most needed Ms Avedian is an authorized trainer and supervisor with the National Anger Management Association NAMA She has been facilitating anger management groups and individual sessions for over 15 years Having worked with court ordered probation required partner recommended work required and self referred individuals she has designed a program that is helpful in these varied situations Most anger management programs are designed to last 26 weeks however this book provides ample tools and skills to be structured into a course up to 52 weeks long consistent with some court orders The content can be personalized to suit your individual needs The workbook covers areas that both directly and indirectly impact one s anger Stress Management for example is a key focus since the more stressors one has the more likely one is to become angry Another area covered in the workbook is Emotional Intelligence due to the high correlation between lower emotional intelligence levels and a greater number of angry episodes Other topics include Communication and Listening Skills Developing Healthy Relationships and Boundaries as well as Letting Go and Forgiveness Anger Management Essentials is for those interested in managing aggressive behavior and living a more fulfilling and peaceful life
