Angry Conversations With God A Snarky But Authentic Spiritual Memoir:

Angry Conversations with God Susan E. Isaacs, 2025-05-01 Disillusioned disenfranchised and disinterested in anything churchy Susan Isaacs knew of only one thing to do when she hit spiritual rock bottom at age 40 She took God to couples counseling In this cuttingly poignant memoir Susan Isaacs chronicles her rocky relationship with the Almighty from early childhood to midlife crisis and all the churches where she and God tried to make a home Pentecostals Slackers for Jesus and the ber intellectuals who turned everything including the weekly church announcements into a three point sermon Casting herself as the neglected spouse Susan faces her inner nag and the ridiculous expectations she put on God some her own and some from her crazy in laws at church Originally staged as a solo show in New York and Los Angeles ANGRY CONVERSATIONS WITH GOD is a cheeky heartfelt memoir that even at its most scandalous is still an affirmation of faith

Grumble Hallelujah Caryn Dahlstrand Rivadeneira, 2011-08-31 If you had told Caryn Dahlstrand Rivadeneira while she was crying on the kitchen floor that she could find a way to praise God in this situation she wouldn't have believed you In fact she might have thrown something at you Looking around at a life that was disappointingly different from what she'd dreamed she couldn't imagine honestly singing out a hallelujah But then it occurred to her that well maybe she could manage to grumble one Have you been there During life's lowest moments it is so tempting to blame ourselves our circumstances or God But what would happen if we turned to God and managed to praise him instead in whatever way we could Might he show up and help us find the things in our lives that he made to be loved Grumble Hallelujah offers humor candid stories and solid scriptural backing that will help you see clearly just how your life is meant to be lived and loved **Theology as**

Autobiography Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes
