Brooks, James L.

Pinson, 2017-07-28 The Art of Editing in the Age of Convergence remains the most comprehensive and widely used text on editing in journalism This latest edition continues to shift the focus toward online multimedia as more and more people get their news that way Amid these changes the authors continue to stress the importance of taking the best techniques learned in print and broadcast editing and applying them to online journalism The reality is that most people now often first learn of breaking news on Facebook or Twitter and therefore the challenge for journalists in this new media world is distinguishing the quality and dependability of their work from all the fake news and propaganda memes now so common online This book is designed to help serious news providers produce a product that is well edited and grounded in the best practices of journalism *The Art of Editing* Brian S. Brooks, James L. Pinson, 2022-03-30 Now in its 12th edition this core text is the most comprehensive and widely used textbook on editing in journalism Thoroughly revised and updated to incorporate more online and multimedia formats this hands on guide offers a detailed overview of the full process of journalistic editing exploring both the micro aspects of the craft such as style spelling and grammar and macro aspects including ethics and legality Recognizing the pronounced global shift toward online multimedia the authors continue to stress the importance of taking the best techniques learned in print and broadcast editing and applying them to online journalism This new edition also includes an in depth discussion of the role editors and journalists can play in recapturing the public's trust in the news media Additional chapters examine how to edit for maximum visual impact and how to edit across media platforms teaching

students how to create a polished product that is grounded in the best practices of journalism The Art of Editing 12th edition remains an essential resource for students of journalism across all media and levels interested in editing design and media writing as well as for professionals seeking to refine and refresh their skill set Accompanying online features include instructor PowerPoints and student exercises

Art of Editing, The (Subscription) Brian S. Brooks, James L. Pinson, 2015-10-05 The Art of Editing continues to be the standard by which editing texts are judged offering the most comprehensive and up to date discussion of editing available Long viewed as the classic in the field of editing The Art of Editing continues to evolve to meet the needs of today's students In addition to a focus on traditional newspaper editing the authors pay significant attention to the other areas in which students are increasingly finding jobs online media corporate magazines broadcasting public relations and advertising The ninth edition of The Art of Editing details the major changes revolutionizing the media industry and prepares students to work in convergent environments where skill in print broadcast and online operations is essential

Mastering Communication Skills Annie Lee Sloan, 2007-08 Students who complete this workbook will learn about how to successfully complete more complex composition projects This book also provides instruction to increase vocabulary and spelling skills Composition projects teach students how to write narrative paragraph descriptive paragraph argumentative paragraph and how to outline and prepare an essay Additional material is also included on the proper use of grammar in the process of writing Grade 12

Associated Press Stylebook And Libel Manual Norm Goldstein, 1998-05-21 The style of the Associated Press defines clear news writing In fact more people write for the AP news service than for any single newspaper or broadcaster in the world The AP Stylebook is therefore the journalist's bible an essential handbook for all writers editors students and public relations specialists The AP Stylebook contains over 5 000 entries laying out the AP's rules on grammar spelling punctuation and usage It gives journalists the references they need to write about the world today correct names of countries and organizations language to avoid common trademarks Special sections cover business and sports reporting This edition published in the Associated Press's 150th year also includes crucial advice on how writers can guard against libel and copyright infringement An up to date AP Stylebook belongs on the desk of every working writer

Transgender Identities Sally Hines, Tam Sanger, 2010-04-05 In recent years transgender has emerged as a subject of increasing social and cultural interest This volume offers vivid accounts of the diversity of living transgender in today's world The first section Emerging Identities maps the ways in which social cultural legal and medical developments shape new identities on both an individual and collective level Rather than simply reflecting social change these shifts work to actively construct contemporary identities The second section Trans Governance examines how law and social policy have responded to contemporary gender shifts The third section Transforming Identity explores gender and sexual identity practices within cultural and subcultural spaces The final section Transforming Theory offers a theoretical reflection on the increasing visibility of trans people in today's society and traces the challenges and the contributions

transgender theory has brought to gender theory queer theory and sociological approaches to identity and citizenship
Featuring contributions from throughout the world this volume represents the cutting edge scholarship in transgender studies and will be of interest to scholars and students interested in gender sexuality and sociology News Writing and Reporting: A Strategic Approach to Storytelling Chris R.
