Tan, 2008 Briefly describes the human history and culture of the Philippines focusing on three Filipino cultural communities the Moros the Indios and the Infeles and examining how these groups reflect the country s history and development *Traditional Cosmology, vol. 5: Solar and Lunar Anomalies* Marinus Anthony van der Sluijs, 2018-01-01 This work in 6 volumes is a compendium of traditional cosmologies worldwide The material includes the global mythology of creation and destruction but also comprises

information drawn from other areas of traditional knowledge ritual iconography shamanism costume and dance Relying on original sources universal points of agreement are identified often on counter intuitive ideas These suggest a single template a blueprint for a universal mythology of origins with local variations Volume 5 documents a large number of traditions concerning unusual and often undesirable properties and activities of the sun and moon To name just a few examples prominent beliefs were that the moon was originally brighter than the sun and that the earth once succumbed to the heat caused by the sun s former proximity its greater strength its failure to move or the appearance of multiple luminaries
