Apology, Crito, and Phaedo of Socrates Plato, 2025-09-10 Plato's *Apology Crito and Phaedo of Socrates* written in the early 4th century BC presents the core of Socratic philosophy The three dialogues focus on his trial moral obligations and the soul's immortality portraying Socrates steadfastness in the face of death In the *Apology* he defends himself against charges of impiety and corrupting the youth using logic and questioning to uphold his principles Referring to the Delphic oracle he asserts that true wisdom lies in recognizing one's own ignorance This introduction establishes his devotion to truth and justice preparing the ground for the deeper philosophical inquiries of the subsequent dialogues **Apology, Crito, and Phaedo of Socrates by Plato** Plato, 2017-11-25 The philosophy of ancient Greece reached its highest level of achievement in the works of Socrates Plato and Aristotle Plato and Aristotle have been held in high esteem because of their intellectual achievements and the fact that their ideas have been preserved through the writings that they produced Socrates has also been recognized as an intellectual genius but in addition his career in the city of Athens has come to be regarded by many persons as an outstanding example of the virtues that he advocated With reference to the trial and death of Socrates there are four dialogs that are especially relevant They are the *Euthyphro* the *Apology* the *Crito* and the *Phaedo* In the *Euthyphro* an attempt is made to answer the question What is piety It has a particular bearing on the trial of Socrates for he had been accused of impiety and was about to be tried for a crime the nature of which no one seemed to understand The *Apology* contains an account of Socrates defense of himself after he had been charged with being a corrupter of the youth and one who refuses to accept the popular beliefs concerning the gods of the city of Athens It is generally regarded as the most authentic account on record of what Socrates actually said as he appeared before his judges Plato's dialogs have been

translated into many different languages and have been published in a number of editions **Apology, Crito and Phaedo of Socrates** Plato,1929 The Final Days of Socrates Plato,2011-01-01 The Final Days of Socrates is a book of four dialogues by Plato Euthyphro Apology Crito and Phaedo centering as most of Plato's dialogues do around Socrates These four dialogues cover the time leading up to Socrates trial and through his death and depiction of the afterlife Euthyphro concerns Socrates and Euthyphro a known so called religious expert as they try to determine a definition for piety Apology is Plato's version of Socrates speech as he defends himself against the criminal charges of corrupting the youth and not believing in the same deities as the state The Crito is a dialogue between Socrates and a friend about justice injustice and the reaction to injustice Finally Phaedo one of Plato's most famous Socratic dialogues depicts the death of Socrates and his argument for the existence of an afterlife All four works are also included in the Cosimo omnibus editions of The Works of Plato One of the greatest Western philosophers who ever lived PLATO c 428 347 B C was a student of Socrates and teacher of Aristotle Plato was greatly influenced by Socrates teachings often using him as a character in scripts and plays Socratic dialogues which he used to demonstrate philosophical ideas Plato's dialogues were and still are used to teach a wide range of subjects including politics mathematics rhetoric logic and naturally philosophy **Apology, Crito, and Phaedo of Socrates** Plato,2016-06-07 This edition of Apology Crito and Phaedo by the ancient Greek philosopher Plato is authoritatively translated and splendidly presented Each dialogue contains insights into Ancient Greek thought and the culture of the society as a whole All three of these texts use ordinary conversations as a means of conveying and evolving individual ideas It is within these early texts that Socrates demonstrates his manner of gaining insight via asking questions this Socratic method whereby Socrates maintains an impression of ignorance was to define the thought of Plato Apology In this dialogue Socrates makes his case to the Athenian people at his trial Passionately arguing against the charges of impiety levied upon him the philosopher uses logic reason and his natural gifts of speech in attempting to convince the crowd against sentencing him to death While unsuccessful the margin of the vote was narrow it is now that Socrates is taken to the cells where his final conversations are to take place Crito When speaking to Crito a man from a wealthy local family Socrates advances a number of points about justice and injustice After Crito declares his admiration for Socrates peace of mind and collectiveness in the face of his death sentence the two commence a philosophical debate Together the pair draw a number of comparisons with society in order to reach a definition of what is just and unjust in the context of human living The text makes a point of noting Crito's attempts at convincing Socrates to escape from prison and thus his death sentence although such an escape might be arranged Socrates refuses on the grounds that it is his duty as a citizen to face the death penalty Phaedo One of the most famous dialogues of Plato in Phaedo we witness the final philosophic discussions which Socrates partakes in before dying His friends and family are variously present until the final death sentence that of drinking a poison solution of hemlock is carried out The topics here range from the form and essential immortality of the soul the nature of learning and memory and the nature of
