Dispensationalism is a true story of an Independent Baptist's spiritual journey to a new understanding of the Bible God's Word For some people the words dispensation and dispensationalism are foreign words to them They have no idea what a dispensation is let alone how it connects with Bible doctrine and how it is taught affects their belief system More than one has said they had to look the word up in a dictionary The author was schooled and trained as an Acts 2 dispensationalist Most churching Christian people were trained the same way But is that what the Bible teaches If that teaching is wrong how would that change your theology This is a story of how the author was introduced to mid Acts Bible doctrine and what he came to believe because of that **King David** Zondervan,2014-07-08 A Shepherd and A King David lived an adventurous life He

protected his family's sheep from lions and bears He fought a giant with just a sling and stone He even spent years hiding from men who were trying to kill him And eventually David became a great king But David was also a man of God Learn more about this hero from the Bible and his exciting place in history Discover what it was like to grow up in ancient Israel and then be a king of God's people King David part of the Get to Know series will teach you everything you need to know about an imperfect young man whom God used to do great things **Galatians Verse by Verse** Grant R. Osborne,2017-07-19 After

the Apostle Paul returned from his first missionary journey he heard that a certain group of legalistic Jewish Christians had infiltrated the churches he had established These false teachers were teaching that new Christians had to be circumcised and follow the Old Testament law in order to be truly saved Paul realizing the gospel was at stake wrote this letter in response In Galatians Verse by Verse experienced New Testament scholar sets forth Paul's laser focused argument Jesus is not only the Messiah he came to inaugurate a new era in salvation history In this new era Christians are not made right with God by obeying the law justification is by faith alone This frees believers to live their lives not trying to earn salvation but instead joyfully keeping in step with the Spirit Pastors Bible study leaders and invested laypeople will all benefit from Osborne's careful reading of the text and commitment to making sense of the New Testament without scholarly jargon The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book In each volume Grant R Osborne seeks to carefully exposit the text in plain language bringing out the treasures in each book and making them accessible for today's readers **Introductory Lessons on the Study of the Apostle Paul's Epistles** Richard Whately (Archbishop of

Dublin.),1849 **Go Where the Apostle Paul Went, Do What He Did . . .** Davut Abi,2019-02-14 Traveling here makes one feel like a modern day Apostle Paul like being in another holy land like being in the Bible and like a life changing experience has just happened for so many who have no access to the gospel of Jesus Christ This is an adventure of learning loving sharing tasting seeing and encountering the living Lord This region is the cradle of ancient civilization and history where Western thought philosophy art and sculpture originated This is the place where Apostle Paul was born and traveled during his journey in the Book of Acts where the Apostles John Luke and Phillip are buried where Noah landed and the animals were dispersed where Abraham lived and roamed where the early church councils were held where the seven

churches of Revelation are found where some of the New Testament was written where Galatia Colossae Ephesus and the area mentioned in Philemon are located and where the earliest Christians were scattered in Cappadocia Bithynia Pontus Galatia and Mysia This country is beautiful with sweet people who are unaware of the good news of Jesus Christ We encounter people at markets ancient sites homes gardens workplaces and resorts with the continual response I have no idea why Jesus had to die For most it is a matter of explaining rather than defending why Jesus had to die on the cross It is also a matter of convincing people with the heart and not so much with the mind or argumentation In other words trying to outlove these people if you can is no small challenge I invite you to come along with me as I have lived and traveled through this region for the last twenty years sharing the good news
