Case Studies in Islamic Banking and Finance Brian Kettell, 2011-10-07 Case Studies in Islamic Banking and Finance is a pioneering resource that provides practical insights into the real world of Islamic financial transactions and illustrates the complexities of this rapidly growing mode of modern finance Based around 12 individual cases the book stimulates discussion and develops the reader s understanding of Islamic finance by contrasting the theoretical concepts discussed in the author s companion text Introduction to Islamic Banking and Finance with practical real world situations The cases cover core Islamic banking and finance topics including the Ijara Mudaraba and Musharaka contracts Islamic mortgages for home finance leverage and issues involved in opening an Islamic bank Financial statement analysis for Islamic banks the implications for fund management for equity investing and the impact of loan defaults on Islamic and conventional banks are also included Each chapter concludes with a set of questions designed to test the reader s understanding of each case with suggested solutions at the end of the book This book is a must have resource for those wishing to apply their understanding of this complex subject and is an essential read for anyone seeking practical examples of how to apply the concepts in a real world environment **Islamic Finance** Mahmoud A. El-Gamal, 2006-07-03 This book provides an overview of the practice of

Islamic finance and the historical roots that define its modes of operation The focus of the book is analytical and forward looking It shows that Islamic finance exists mainly as a form of rent seeking legal arbitrage In every aspect of finance from personal loans to investment banking and from market structure to corporate governance Islamic finance aims to replicate in Islamic forms the substantive functions of contemporary financial instruments markets and institutions By attempting to replicate the substance of contemporary financial practice using pre modern contract forms Islamic finance has arguably failed to serve the objectives of Islamic law This book proposes refocusing Islamic finance on substance rather than form This approach would entail abandoning the paradigm of Islamization of every financial practice It would also entail reorienting the brand name of Islamic finance to emphasize issues of community banking micro finance and socially responsible investment
