read Japanese in order to enjoy manga Today manga has become a global phenomenon attracting audiences in North America Europe Africa and Australia The style has become so popular in fact that in the US and UK publishers are appropriating the manga style in a variety of print material resulting in the birth of harlequin mangas which combine popular romance fiction titles with manga aesthetics Comic publishers such as Dark Horse and DC Comics are translating Japanese classics like Akira into English And of course it wasn't long before Shakespeare received the manga treatment So what is manga Manga roughly translates as whimsical pictures and its long history can be traced all the way back to picture books of eighteenth century Japan Today it comes in two basic forms anthology magazines such as Shukan Shonen Jampu that contain several serials and manga books tankobon that collect long running serials from the anthologies and reprint them in one volume The anthologies contain several serials generally appear weekly and are so thick up to 800 pages that they are colloquially known as phone books Sold at newspaper stands and in convenience stores they often attract crowds of people who gather to read their favorite magazine Containing sections addressing the manga industry on an international scale the different genres formats and artists as well the fans themselves Manga An Anthology of Global and Cultural Perspectives is an important collection of essays by an international cast of scholars experts and fans and provides a one stop resource for all those who want to learn more about manga as well as for anybody teaching a course on the subject Anime and Manga ,

By Your Side Erica Friedman,2022-05-31 The Untold Story of Lesbian Love in Japanese Anime and Comics By Your Side is the complete Yuri resource I only ever dreamed could exist Decades in the making this glorious collection surveys analyzes and contextualizes Yuri with unparalleled detail and enthusiasm Friedman graces readers with illuminating insights as they follow her through a century of the genre's evolution and revolution By sharing her extraordinary knowledge she provides inquirers scholars and aficionados alike with a deeper appreciation and understanding of lesbian anime and manga while galvanizing them towards the next era of Yuri Nicki Bauman Yurimother Queer Southeast Asia Shawna Tang,Hendri Yulius Wijaya,2022-11-22 Tang and Wijaya present a range of new and established scholarly voices including local activists directly involved in developments in Southeast Asia This groundbreaking collection presents the current state of play and longstanding LGBTQ debates in this often overlooked region of Asia The diversity of both the subject and the region is reflected in the broad scope of topics addressed from the impact of Japanese queer popular culture on queer Filipinos to the politics of public toilets in Singapore and the impact of digital governance on queer communities across ASEAN Taken in combination these investigations not only highlight the operations of queer politics in Southeast Asia but also present a concrete basis to reflect on queer knowledge production in the region A vital resource for students and scholars of gender and sexuality in Southeast Asia or any Queer or LGBTQ studies looking beyond the West Race and Masculinity in Gay Men's Pornography Desmond Francis Goss,2021-10-31 This book unpacks the character of pornographic representations of queer Black masculinity and how these representations vary between corporate and noncorporate producers The author

argues that representations of Black men in gay porn rely on stereotypes of Black masculinity to arouse consumers especially those which characterize Black men as missing links or focus excessively on their dark phalluses Moreover these depictions consistently separate gay Black and white men s sexuality into bifurcated discursive spaces thereby essentializing sexual aspects of racial identity Lastly though such depictions are less prevalent in user submitted videos overall both user submitted and corporate content reify stereotypes about Black masculinity This book is written for researchers lecturers and graduate courses in the social sciences and humanities including Sociology Social Psychology Sexuality African American Studies Women and Gender Studies LGBTQ Studies Culture and Art Studies Porn Studies Social Media Studies and Public Health

The End of Cool Japan Mark McLelland, 2016-07-22

Today's convergent media environment offers unprecedented opportunities for sourcing and disseminating previously obscure popular culture material from Japan However this presents concerns regarding copyright ratings and exposure to potentially illegal content which are serious problems for those teaching and researching about Japan Despite young people's enthusiasm for Japanese popular culture these concerns spark debate about whether it can be judged harmful for youth audiences and could therefore herald the end of cool Japan This collection brings together Japan specialists in order to identify key challenges in using Japanese popular culture materials in research and teaching It addresses issues such as the availability of unofficially translated and distributed Japanese material the emphasis on adult themes violence sexual scenes and under age characters and the discrepancies in legislation and ratings systems across the world Considering how these issues affect researchers teachers students and fans in the US Canada Australia China Japan and elsewhere in Asia the contributors discuss the different ways in which academic and fan practices are challenged by local regulations Illustrating from personal experience the sometimes fraught nature of teaching about cool Japan they suggest ways in which Japanese Studies as a discipline needs to develop clearer guidelines for teaching and research especially for new scholars entering the field As the first collection to identify some of the real problems faced by teachers and researchers of Japanese popular culture as well as the students over whom they have a duty of care this book will be of great interest to students and scholars of Japanese Studies and Cultural Studies
