A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course

providing an additional 70 hours of audio instruction linked to almost 1 000 slides **The Expositor's Bible: The book of the twelve prophets** Sir William Robertson Nicoll,1901 Into His Presence, Volume 1 Napoleon Burt,2020-06-02 The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally Into His Presence uses historically documented experiences of a number of important people with God over thousands of years as the lens through which to help you understand the character of God as a person In this book you see the God of the Bible as a divine person encountered by the men and women of the Bible The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible In this book you will learn how many historically documented conversations Adam had with God and see that Adam s God moved with purpose in each of His encounters with Adam Your understanding of the character of God will be enriched as you see Him through the eyes of Abraham over the course of their 100 year relationship You will be amazed by the sheer number of historically documented conversations Moses had with God and understand how these encounters transformed Moses from a polytheist into one of history s greatest spokesmen for monotheism and the pursuit of a personal relationship with the God of heaven You will walk with David through the ups and downs of his life identify with his struggles and understand how life s experiences drew him into a close relationship with God Through the enumerated experiences of the patriarchs judges and kings of Israel you will come to understand the consistent character attributes of God as a person over the course of history You will conclude that God is a divine person with whom you can also have an intimate relationship As you read this book you will feel the God of the Bible personally calling you into His presence The Book of the Twelve Prophets George Adam Smith,1901 *The Book of the Twelve Prophets, Commonly Called the Minor: Zephaniah, Nahum, Habakkuk, Obadiah, Haggai, Zechariah I-VIII, "Malachi," Joel, "Zechariah" IX-XIV, and Jonah* George Adam Smith,1898 The Book of the Twelve Prophets Sir George Adam Smith,1908 The Book of the Twelve Prophets: Zephaniah, Nahum, Habakkuk, Obadiah, Haggai, Zechariah, Malachi, Joel, Jonah George Adam Smith,1906
