Angelophanies Hidden Kings:

Angelophanies Laurence Sibilly, 2013-10 In the Beginning there was Darkness and then there was Light As Michael and Lucifer oversee and orchestrate the construction of Creation the discarded Darkness hungers and schemes Only Samael willingly interacts with it offering companionship in exchange for compliance However feeling betrayed and rejected the Darkness turns on Samael attempting to consume him which surprisingly results in a merger birthing a new entity The Dark Angel Ultimately corrupting other angels Samael raises an army and goes to war against Heaven's forces on two separate occasions and is repelled by Lucifer each time Then for his hubris Lucifer is exiled to Hell leaving Creation seemingly defenseless against the dark one's inevitable return Fortunately throughout time and space a multiplicity of events unfold including the creation of Adam Lilith and Eve and the agony of their union amidst the complexities of Eden a merchant's confrontation with Christ at the Crucifixion and a dying soldier bartering his soul during the Vietnam war all add to the simmering chaos that threatens to bring about Armageddon Our only hope lies with the prophecy of the Hidden Kings whose celestial calling is often concealed within the ignoble folds of human flesh *Creative Imagination in the Sufism of Ibn Arabi*

Henry Corbin, 2014-07-14 A penetrating analysis of the life and doctrines of the Spanish born Arab theologian Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *One God, One Lord* Larry W. Hurtado, 2015-11-19 Larry Hurtado's *One God One Lord* has been described as one of the most important and provocative Christologies of all time Alan F Segal The book has taken its place among works on Jesus as one consistently cited consistently read and consistently examined in scholarly discourse Hurtado examines the early cultic devotion to Jesus through a range of Jewish sources Hurtado outlines an early high Christological theology showing how the Christ of faith emerges from monotheistic Judaism The book has already found a home on the shelves of many in its two previous editions In this new Cornerstones edition Hurtado provides a substantial epilogue of some twenty thousand words which brings this ground breaking work to the fore once more in a format accessible to scholars and students alike *The Resurrection of the Messiah* Christopher Bryan, 2011-03-21 In *The Resurrection of the Messiah* Christopher Bryan combines literary historical and theological approaches in a study of the doctrine of the Resurrection The book is divided into three parts The first section provides a careful and sympathetic description of first century Jewish and pagan opinions and beliefs about death and what might follow This is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth The second part of the book offers a detailed full length commentary on and exegesis of the main New Testament texts that speak of

Jesus death and resurrection 1 Corinthians 15 and the narratives in the four canonical gospels As a framework for this commentary Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists namely the formula Christ died Christ was buried Christ has been raised Christ appeared The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation Bryan also considers various theological and ethical implications of accepting the claim Jesus Christ has been raised from the dead Throughout his study Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace

The Resurrection of Mary Magdalene Jane Schaberg, 2004-08-31 The controversy surrounding Dan Brown's novel *The Da Vinci Code* has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework *The Resurrection of Mary Magdalene* approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy

Luke David L. Tiede, 1988-01-01 *The Augsburg Commentary on the New Testament Series ACNT* is written for laypeople students and pastors Laypeople will use it as a resource for Bible study at home and at church Students and instructors will read it to probe the basic message of the books of the New Testament And pastors will find it to be a valuable aid for sermon and lesson preparation

The Holy Bible, 1888 **The Holy Bible, According to the Authorized Version (A. D. 1611), with an Explanatory and Critical Commentary and a Revision of the Translation**, 1888 The Holy Bible Henry Wace, 1888 The Holy Bible According to the Authorized Version (A.D. 1611). Henry Wace, Frederic Charles Cook, 1888
