Sinan Aral

Aol Keeps Shutting Down:

The Hype Machine Sinan Aral, 2021-09-14 A landmark insider's tour of how social media affects our decision making and shapes our world in ways both useful and dangerous with critical insights into the social media trends of the 2020 election and beyond The book might be described as prophetic At least two of Aral's three predictions have come to fruition New York NAMED ONE OF THE BEST BOOKS OF THE YEAR BY WIRED LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD Social media connected the world and gave rise to fake news and increasing polarization It is paramount MIT professor Sinan Aral says that we recognize the outsized effect social media has on us on our politics our economy and even our personal health in order to steer today's social technology toward its great promise while avoiding the ways it can pull us apart Drawing on decades of his own research and business experience Aral goes under the hood of the most powerful social networks to tackle the critical question of just how much social media actually shapes our choices for better or worse He shows how the tech behind social media offers the same set of behavior influencing levers to everyone who hopes to change the way we think and act from Russian hackers to brand marketers which is why its consequences affect everything from elections to business dating to health Along the way he covers a wide array of topics including how network effects fuel Twitter's and Facebook's massive growth the neuroscience of how social media affects our brains the real consequences of fake news the power of social ratings and the impact of social media on our kids In mapping out strategies for being more thoughtful consumers of social media The Hype Machine offers the definitive guide to understanding and harnessing for good the technology that has redefined our world overnight

Shut Up and Keep Talking Bob Pisani, 2022-10-18 Bob Pisani is Senior Markets Correspondent for CNBC and has spent the past 25 years on the floor of the New York Stock Exchange He has been on the front line of finance for all the major events of the last quarter century including the Asian Financial Crisis the dot com bubble and collapse the terrorist attacks of 9/11 and the Great Financial Crisis What was it like to witness these events firsthand at the center of the financial world In Shut Up and Keep Talking Bob tells a series of captivating stories that reveal what he has learned about life and investing These include encounters with a host of stars world leaders and CEOs including Fidel Castro Robert Downey Jr Walter Cronkite Aretha Franklin Barry Manilow Jack Ma Joey Ramone and many more Along the way Bob describes how the investment world has changed from brokers shouting on the floor of the NYSE to fully electronic trading from investment sages and superstars picking stocks for exorbitant fees to the phenomenal rise of low cost index funds that are saving investors millions and from the belief that investors make rational decisions to the new age of behavioral finance which recognizes the often irrational nature of human decision making and seeks to understand its role in the stock market Bob also considers what really moves stocks up and down and tackles the big questions why is stock picking so hard and why is the future so unknowable Don't miss this highly entertaining and revealing account of how financial markets have changed and how they really work from someone who was there

Start with Why Simon

Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time with more than 56 million views and counting Over a decade ago Simon Sinek started a movement that inspired millions to demand purpose at work to ask what was the WHY of their organization Since then millions have been touched by the power of his ideas and these ideas remain as relevant and timely as ever START WITH WHY asks and answers the questions why are some people and organizations more innovative more influential and more profitable than others Why do some command greater loyalty from customers and employees alike Even among the successful why are so few able to repeat their success over and over People like Martin Luther King Jr Steve Jobs and the Wright Brothers had little in common but they all started with WHY They realized that people won't truly buy into a product service movement or idea until they understand the WHY behind it START WITH WHY shows that the leaders who have had the greatest influence in the world all think act and communicate the same way and it's the opposite of what everyone else does Sinek calls this powerful idea The Golden Circle and it provides a framework upon which organizations can be built movements can be led and people can be inspired And it all starts with WHY Boom and Bust in the Blogosphere Dan Morrill, 2009-01-05 Boom and Bust in the Blogosphere is a case study based book that looks at blog failure and blog success If you want to blog you want to read this book **Unrealized**

Digital Democracy Garrett Pierman, 2023-09-25 Garrett Pierman argues that the Internet as it is structured today is inhospitable to democracy What began as a government funded defense project became with the commercialization of the Internet in the early 1990s a network that makes it simultaneously easier for falsehoods to spread and more difficult for people to lose touch with reality Many millions of Internet users have not encountered the online world as many scholars had hoped as a place for careful democratic deliberation The Internet is now a platform in which their fears and anxieties are exploited by corporations that have carved up digital fiefdoms In these digital fiefdoms fake news and lies are shared and consumed at speeds that far exceed our ability to sort fact from fiction leading to instances of political violence once people's lie based fears overcome their better judgement It should be of no surprise that the current Internet enables and encourages political violence scared and overwhelmed users are the ideal denizens of digital fiefdoms *Worth's Greatest Stock Picks of All Time* W. Randall Jones, 2002-12-17 Learn How to Pick the Right Stock at the Right Time The momentum of the bull market spoiled us all buying stock any stock was an almost surefire way to make a mint Now in a time of turbulent markets stock picking has become a mixture of science and high art With thousands of stocks to choose from how can investors determine which ones will be future winners We all know there's a time to buy and a time to sell every stock but when is the right time Timing stock buys so that you catch upward momentum is not luck and Randy Jones shows you how to hone your buying and selling skills by striving to analyze the factors that made winners of the great stocks in the past Why was AT T a great stock pick in the 1920s Polaroid a winner in the 40s Xerox in the 50s Teledyne in the 70s and Intel in the 90s The potential of these

stocks was in plain sight for those who knew how to read the signs And perhaps as important is understanding the signs of decline and knowing when to sell Randy Jones analyzes twenty five of the greatest stocks of all time providing a framework for evaluating their strengths that can be used for future selections including Linking great management and bottom line profits Who were the faces behind AIG GE and IBM that led to profitability and what was it about these people s management skills that made their companies so great Pathbreaking products Polaroid Xerox and Amgen show that products that often seem to be overnight sensations were instead developed over many years giving investors plenty of lead time to discover their potential as great investments The innovative business model Avon McDonald s and Dell reveal that understanding how a company makes money helps you to understand its strengths and vulnerabilities Investing during bad times For some companies such as Coca Cola Schlumberger and Chrysler nationwide economic downturns can actually be advantageous Worth s Greatest Stock Picks of All Time has invaluable lessons for anyone in the market today *Computerworld*,1999-08-02 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network Been There - Done That...
