P.G. Wood,2020-08-31 Following a difficult breakdown of a relationship Paul decided a progressive change of scenery and lifestyle would be a positive step so he moved from England to America Straightforward to others it was by far a more complex situation the aftermath of the relationship breakdown triggered a sequence of events from losing a sense of realism to dealing with issues from his past catapulting him to another country which he first believed would be an extension of his way of life and culture In fact it turned out to be a very different experience to what he ever imagined bringing about a life changing experience moving him from a low mood of betrayal and sadness of the past to a new level of acceptance of a happier future leading Paul into a purposeful investigation into his mind during a journey of self discovery *Northeastern United States Water Supply Study* United States.
