Baptism A Users Guide Exploring Christian Faith

Gordon L. Heath, James D. Dvorak

Baptism A Users Guide Exploring Christian Faith:

Baptism Martin E. Marty, 1962 From the earliest days of Christianity baptism has been a foundational act of faith for the believing community Although churches may and do disagree about whether infants should or shouldn't be baptized about whether baptism should be by immersion or pouring and about other doctrinal details all would agree that baptism mattered to early Christians and still matters And yet for all too many baptism remains a ritual hardly understood and one that seems to lack relevance for the lives we lead from day to day Here is a book that delves into the mystery brings understanding and connects the water and Word of baptism to the tragedies and triumphs of daily life With good humor sound scholarship and down to earth common sense Martin Marty demonstrates how baptism can be used from day to day in a vibrant life of faith

Connecting with Baptism Mark Earey, Trevor Lloyd, Ian Tarrant, 2007 *Connecting with Baptism* is a comprehensive and accessible companion resource to help clergy and lay leaders unpack Christian initiation pastorally practically and theologically In a down to earth and stimulating way it provides an enormous amount of practical help background information and suggestions for clergy and lay leaders involved in taking policy decisions providing pastoral care and using the initiation services Written from a wealth of pastoral and liturgical experience it covers the whole scope of Christian initiation including baptism and confirmation Topics covered include Infant baptism Connecting initiation with mission and evangelism The role of godparents Preparing adults for Christian initiation Helping those who are baptized or confirmed to grow in faith Christian initiation in Fresh Expressions of church The guide includes real life stories discussion starters and helpful cross references to other sections in the text and the Bible

Baptism Gordon L. Heath, James D. Dvorak, 2011-01-10 In this book Gordon Heath and James Dvorak bring together three traditions that are not often brought together under one roof Orthodox Catholic and Protestant Authors from a number of Protestant traditions as well as one from Orthodoxy and one from Catholicism have contributed to a volume that provides a grander vision of the diversity of the church as well as a deeper sense of the differences that divide and the similarities that unite This book provides a much needed and helpful forum for a variety of Christian positions to be presented and defended so that Christians can at least operate out of understanding rather than ignorance The authors also hope that such understanding will nudge people closer together as baptized followers of Jesus Christ The gracious spirit of each contributor to this volume indicates that it is possible All contributors in this volume write about their own tradition and a number write not just as academics but also as ordained leaders in their churches The insider's perspective that each author brings allows passionate presentations of each perspective but also committed defenses of the same

Christian Ritualizing and the Baptismal Process Susan Marie Smith, 2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were

considered secular Does the church have a role at retirement when one's ministry changes or when a family's children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in divorce Christian Ritualizing and the Baptismal Process asserts that baptism marks the beginning of a process of participation in Christ's ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life

The Borders of Baptism Michael L. Budde, 2011-08-01 It's a simple claim really that for Christians being a Christian should be their primary allegiance and identity For those who proclaim Jesus as Lord this identity should supersede all others and this loyalty should trump all lesser ones It may be a simple claim but it is a controversial one for many people Christians and non Christians alike The Borders of Baptism uses the idea of solidarity among Christians as a lens through which to view politics economics and culture It offers Christians a fresh perspective capable of moving beyond sterile and dead end debates typical of debates on issues ranging from immigration and race to war peace and globalization The Borders of Baptism invites Christians of all traditions to reflect on the theological and political implications of first being a Christian in a world of rival loyalties It invites readers to see what it might mean to be members of a community broader than the largest nation state more pluralistic than any culture in the world more deeply rooted in the lives of the poor and marginalized than any revolutionary movement and more capable of exemplifying the notion of *e pluribus unum* than any empire past present or future

The Door of Heaven: A Manual for Holy Communion Arthur Edward Burgett, 2019-12-13 In The Door of Heaven A Manual for Holy Communion Arthur Edward Burgett masterfully explores the theological and liturgical significance of Holy Communion Written in a contemplative style that seamlessly weaves scripture with pastoral insights Burgett provides readers with a comprehensive guide that not only elucidates the ritualistic aspects of communion but also delves into its profound spiritual implications Drawing from the rich traditions of Christian discourse his manual serves as both an instructional text and a reflective meditation catering to clergy and laypersons alike Arthur Edward Burgett a prominent theologian and liturgist brings a wealth of experience to this work having spent decades in pastoral ministry and ecclesiastical education His journey through various religious communities has afforded him a unique perspective on the significance of communion across denominations This background informs his desire to bridge doctrinal divides and enhance the understanding of sacred practices in contemporary worship Readers seeking to deepen their engagement with the sacrament of Holy Communion will find in Burgett's manual not only practical guidance but also an invitation to experience the divine presence through this holy rite This book is highly recommended for anyone interested in enriching their spiritual life and understanding the profound roots of communal worship

The Writers Directory, 2013

Christianity for Blockheads Douglas Connelly, Martin H. Manser, 2009 Do you have to be a theologian to

navigate the territory of Christian belief No But it helps to have a map This newest addition to the Blockheads series guides readers through basic Christian beliefs Both Christians and curious non Christians looking for clear and reliable explanations of the Christian faith will find them here *Religious Books, 1876-1982* ,1983 Prepared by the R R Bowker Company s Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 **The Complete Idiot's Guide to Understanding Mormonism** Drew Williams,2003-06-03 From its founding in pioneer times to the present day the Church of Jesus Christ of Latter Day Saints has been both mysterious and misunderstood with some Protestant faiths not even recognizing the Mormons as Christians This fascinating guide debunks the myths of Mormonism and reveals its history faith and culture
