Autobiography of Ma-Ka-Tai-Me-She-Kia-Kiak, or Black Hawk Black Hawk,2021-07-29T21:13:15Z Black Hawk so named after the sacred medicine bag he carried with him was a warrior and a leader of a tribe of Sauk Native Americans in the American Midwest circa 1800 He rose to leadership during a tumultuous time for his people as they were pressed on all sides by the warlike British the ruthlessly expansionist Americans and the grudges and jealousies of neighboring tribes He lived as a warrior for much of his early life when the War of 1812 between the British and the Americans forced the Sauk to take sides and enter the fray Angered by the Americans demands they sign shaky treaties to cede their land the tribe fought for the British until the toll of the war forced the tribe to bow out After the war Black Hawk signed a peace treaty with the Americans but a series of misunderstandings once again brought tensions between the Sauk and the Americans to a head When a group of under trained Illinois militia mistakenly opened fire on the Sauk Black Hawk began what is known as the Black Hawk War leading raids against American forts and settlements in an effort to reclaim their ancient land Even though Black Hawk managed to convince other tribes to join his cause the war was quickly lost and Black Hawk captured He was then taken on a tour of the vast East Coast cities in an attempt to impress upon him America s overwhelming might Despite his status as a former enemy he was treated with dignity and respect by his captors before they granted him a small house and plot of land in Iowa to live out the rest of his days His autobiography was dictated to a translator Antoine Le Clair and written down by his amanuensis and publisher J B Patterson The story Black Hawk tells is a vivid one of life on the prairie rich with tradition and meaning but riven equally by war and bloodshed As he reminisces about the bucolic life he and his ancestors once led and compares it with the hardships his people are facing his sorrow becomes palpable and as his days draw to a close the reader sees that even to Black Hawk the fate of his people appears inevitable This book is part of the Standard Ebooks project which produces free public domain ebooks *Autobiography of Ma-ka-tai-me-she-kia-kiak, Or, Black Hawk* Sauk Chief 1767-1838 Black Hawk,J B (John Barton) 1805- Patterson,Antoine B 1797 LeClair,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Autobiography of**
