Betrayal Study Guide:

The Healing Path Study Guide Dan B. Allender, 1999-02-16 DON T WASTE YOUR PAIN None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we let it make us stronger Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn t have to mangle our hearts and rob us of the joy of life It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives We don t have to be held captive by the hurts of our past We can move from feelings of powerlessness betrayal and ambivalence into faith hope and love The Healing Path takes us beyond self discovery to God discovery giving us the tools to excavate the riches that lay beneath the surface of our pain If you re ready to use the experiences of the past and present to shape a future characterized by love service and joy now is the time to step out onto The Healing Path **Love**
