

A photograph of a slum street. In the foreground, a young girl with dark hair, wearing a green dress over a white shirt, stands with her back to the camera, looking down a dirt path. The path is littered with debris. On either side of the path are makeshift, multi-story buildings made of wood, metal, and other scavenged materials. Laundry is hanging from lines between the buildings. In the background, more people can be seen walking further down the street. The sky is overcast.
