

THOMAS R. METCALF

The Aftermath of Revolt

India 1857-1970

PRINCETON LEGACY LIBRARY

Aftermath Revolt 1857 1970 Princeton Library

Olga S. Weber, Stephen J. Calvert

Aftermath Revolt 1857 1970 Princeton Library:

The Aftermath of Revolt Thomas R. Metcalf, 2015-12-08 The Mutiny of 1857 left a deep mark on Indian society and on the nature of British rule Thomas Metcalf analyzes the influence of the Mutiny on many facets of Indian life and relations with Great Britain examining social reform education land settlement policy the position of the tenant and the moneylender relations with the Indian states the structure of the government and the growth of racial sentiment The author also makes an attempt to place the India of the 1860 s in the broader context of Victorian liberalism The view emerges that the relations between the British and the Indian people were decisively altered by the Mutiny In fact the decade following the upheaval was possibly the last great creative period of British rule and one in which the nature of many of the institutions that lasted to independence were shaped Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Entangled Domains Rabi Akande, 2023-06 This book provides the first account of the sustained entanglement of law religion and empire in Northern Nigeria

The Company's Sword Christina Welsch, 2022-08-25 Examines the role of the East India Company's independent armies in the colonial government of South Asia

Baptizing Burma Alexandra Kaloyanides, 2023-06-20 Shortlisted 2024 EuroSEAS Book Prize in the Humanities European Association for Southeast Asian Studies In July 1813 a young American couple from Boston arrived in Rangoon to preach the gospel Celebrated in the Protestant press which ran dramatic accounts of exotic adventures the attempt to convert the Burmese met with mixed results Although Burmese Buddhists resisted Christian evangelism people from minority communities were baptized in large numbers throughout the nineteenth century American Baptist Christianity was itself transformed in the Buddhist kingdom Missionaries who were initially horrified by what they saw as the idolatry of Buddha statues found themselves creating tree shrines and their converts hanging colorful Jesus paintings in their churches Baptizing Burma explores the history of how the American Baptist mission to Burma failed to convert the country yet succeeded in transforming its religious landscape Alexandra Kaloyanides examines how the Burmese majority positioned Buddhism to counter Christianity how marginalized groups took on Baptist identities and how Protestantism was reimagined as a Southeast Asian religion She considers a series of holy objects to reveal the mechanics of religious practice in a period of entangled empires British Burmese and American By telling stories of four key things the sacred book the school house the pagoda and the portrait this book illuminates the histories of Burma's last kingdom and the unexpected consequences of America's first overseas mission

The British Library General Catalogue of Printed Books to 1975 British Library, 1983

Literary and library prizes Olga S. Weber, Stephen J. Calvert, 1980

South Asian Library Resources in North America Maureen L. P. Patterson, Martin Yanuck, 1975 *The Strangled Traveler* Martine van Woerkens, 2002-11 British colonists in 1830s India lived in terror of the Thugs Reputed to be brutal criminals the Thugs supposedly strangled beheaded and robbed thousands of travelers in the goddess Kali's name The British responded with equally brutal repression of the Thugs and developed a compulsive fascination with tales of their monstrous deeds Did the Thugs really exist or did the British invent them as an excuse to seize tighter control of India Drawing on historical and anthropological accounts Indian tales and sacred texts and detailed analyses of the secret Thug language Martine van Woerkens reveals for the first time the real story of the Thugs Many different groups of Thugs actually did exist over the centuries but the monsters the British made of them had much more to do with colonial imaginings of India than with the real Thugs Tracing these imaginings down to the present van Woerkens reveals the ongoing roles of the Thugs in fiction and film from Frankenstein to Indiana Jones and the Temple of Doom **The Killing Age** Clifton Crais, 2025-11-14 A bracing account of how our current planetary crisis emerged from the worst cataclysmic destruction in human history which Clifton Crais terms the Mortecene the killing age We are used to speaking of the Anthropocene and the outsized impact humans have had on the planet But we sometimes lose sight of a fundamental truth at the heart of modern world history the legacy of human predation slavery and imperialism that has devastated the natural world and led us to our present moment As historian Clifton Crais shows in this magisterial work the period that we most associate with human progress which gave us the Enlightenment the rise of democracies the Industrial Revolution and more was at the same time catastrophically destructive In this bracing landmark book Crais urges us to view the growth of global capitalism between 1750 and the early 1900s not as the Anthropocene but as the Mortecene the Killing Age Killing brought the world together and tore it apart as profiteering warlords committed mass scale slaughter of humans and animals across Africa Asia and the Americas The newfound ease and profitability of killing created a disturbing network of global connections and economies eliminating tens of millions of people and sparking an environmental crisis that remains the most urgent catastrophe facing the world today Drawing on years of scholarship and marshaling myriad sources across world history The Killing Age turns our vision of past and present on its head illuminating the Mortecene in all its horror how it shaped who we are what we value and fear and the precarious present we inhabit today *Revolutions and Revolutionists* Robert Blackey, 1982

Adopting the Beat of Appearance: An Psychological Symphony within **Aftermath Revolt 1857 1970 Princeton Library**

In some sort of used by displays and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony developed by the prepared word frequently fade in to the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, nestled within the pages of **Aftermath Revolt 1857 1970 Princeton Library** an enchanting literary value brimming with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden songs and profound affect resonating within each cautiously crafted phrase. Within the depths with this touching evaluation, we can explore the book is key harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
