Aliens And Satanic Creatures Wanted Humans Need Not Apply:

Aliens and Satanic Creatures Wanted Tony Ruggiero, 2005-11-01 Do you think its easy being an alien a satanic creature or anything else not considered part of the Homo sapiens only club They have tough days just like humans do and their frustration is growing Don t believe it Well what about Lucifer the prince of darkness who runs a car dealership what about his feelings when he is faced with that impossible sale and he can t get that signature on form 666 the standard soul contract Or maybe you wondered about how an extremely vain alien copes with having a bad hair day as he tries to alter the future of Earth Will his cosmetic problems be our problems in other ways Perhaps you heard about the opposite vampire who loves to give blood hates the darkness and has a fetish for garlic how does he get through a bad relationship How about a DNA altered cat that has been given the personality of one of the world s most fearsome criminals Will its human owners understand or will it be a less than purr fect arrangement What s the common thread do all this discontent you ask What is it about most stories that stay the same It s the human These aliens and demonic creatures are sick and tired of being the second fiddle in the story They want what everybody wants to be the center of attention of the stories instead of the pesky humans for a change and now they finally get their wish In *Aliens and Satanic Creatures Wanted Humans Need Not Apply* they finally get top billing and they exploit it as far as they can *The British Millennial Harbinger and Family Magazine*

, 1849 **The God Hypothesis** Joe Lewels, 1997 The God Hypothesis offers a bold look at the alien abduction phenomena and challenges not only commonly accepted UFO theories but also the modern theological and scientific consensus views of reality By thoroughly examining evidence from various scientific disciplines Dr Lewels presents a compelling case for the reality of UFOs and their connection to the major religions of the world In so doing he causes us to re examine our own spiritual and religious beliefs and to see the Bible through modern scientific eyes a view that demystifies the ancient texts and reveals the true origins of the human race and its proper place in the hierarchy of intelligent life in the universe Lewels sees the UFO enigma as part of the process of human evolution in the physical sense as well as in the spiritual He proposes a solution that crosses the line between the physical material world and that spiritual dimension where quantum physics tells us that time and space cease to exist *Hood and the Ghosts of Fernworld* Peter Trusty, 2011-09-13 *Will You Sparkle in the Light* Linda L.
